The Copernicus Difference

Prevent bottlenecks when students are grabbing their devices by placing several Tech Tubs[®] throughout the classroom.

Tech Tub²® - holds 10 iPads[®] or Chromebooks[™]

The Tech Tub²® collection of device storage and charging systems has mobility at its core. They can store, charge and sync Apple[®] devices and most 11" Chromebooks[™]. The flexible Tech Tub²® system allows schools to purchase individual tubs, carts or both as they roll out devices.

Tubs are permanently connected to create 1 portable storing and charging unit.

Top flip-up handle to make carrying easier

Side cable organizer to keep cords tidy

Cable management hooks with a cord clip on the back

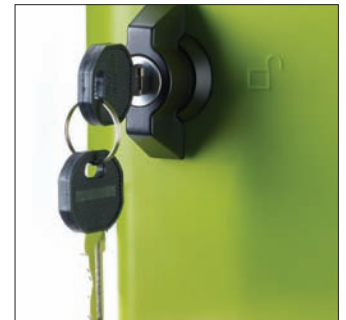

Adjustable dividers to accommodate a wide range of devices with and without cases

Lower compartment for power strip and adapters

Surface mount hardware to secure tub to surfaces for added security

3-point door lock with 2 keys
