Warning! Hazard Risks!

Please read the warnings below for important safety information regarding your product. Failure to read these warnings or to follow the instructions below could result in personal injury or damage to your product that could void your warranty.

Adult Supervision

This product is to be used under the supervision of an adult.

Indoor Use Only

This product is intended for indoor use only. To reduce the risk of fire or electric shock, do not expose this product to rain or moisture. The internal components are not sealed from the environment.

Power Strip Specifications

Read your power strip electrical specifications. Only plug in devices that are approved for use with this power strip. Connect the supplied power strip directly to a wall outlet. **Do not connect to another power strip or use an extension cord.** Unplug when not in use. **Do not leave this product plugged in for more than 72 consecutive hours.** Turn off power strip before unplugging.

Electronic Equipment

Read the electrical specifications of any electronic equipment you are using with your Copernicus products. Failure to read these specifications and follow their instructions could result in damage to your equipment or personal injury.

Cable Trip Hazard

Ensure that any cables extending across the floor to your product are properly bundled and marked to avoid tripping or falling which may lead to personal injury.

Electrical Shock

Do not install or use the electrical components of this unit during a lightning storm.

IMPORTANT PRODUCT ADVISORY

DO NOT LEAVE THIS PRODUCT PLUGGED IN AND RUNNING FOR MORE THAN 72 HOURS AT ONE TIME.
ONLY USE THE USB HUB WITH THE SUPPLIED POWER ADAPTER.
REMEMBER TO TURN OFF POWER TO USB HUB BEFORE UNPLUGGING FROM OUTLET.

How to Use Your Product

To charge your devices:

1 Plug power adapter into USB Hub and into outlet.

2 Plug devices into USB Hub and switch on the power. Make sure power adapter and USB Hub is plugged into outlet.

To synchronize your devices:

3 Follow Steps 1 and 2. Plug USB "B" cable into USB hub. Then plug into Apple MacBook®.

Use Apple Configurator or Apple Configurator 2 for synchronizing your devices on a MacBook®.

Apple Configurator works with Macbooks® running OS X 10.10 or later. Apple Configurator 2 works with Macbooks® running OS X 10.11 or later.
