(FTT1100 or for syncing FTT1100-USB)
(Tubs are permanently connected together)

10 iPads®
Original Tech Tub® syncs iPads® (TEC1000)

Tub combos

Deployment tip:
Placing individual tubs throughout a classroom can reduce deployment bottlenecks and is more cost effective than a cart.

See reverse for warranty details

Ⓦ **Warranty**
Lifetime on Tech Tub2® and Cart components.
UV Tech Tub: Lifetime on Tub components and 1 year warranty on UV bulbs and electrical components.

*Kill rate based on third-party biological lab testing (BSL-2 certified facility). A 99.99% kill is achieved on most of the viruses and bacteria that were tested.

**Phillips brand bulbs are easily replaced and available from Copernicus. Bulb hours may vary based on frequency of use.

***If you remove your UV tech Tub from the Modular Cart, do not place the UV Tech Tub on the floor. Only place the UV Tech Tub on surfaces that are at least 30" above the floor. This is to prevent accidental collisions that can cause damage or injury from impact and tip over.
