

iRover<sup>2</sup> Premium Model (IFP500)

**NEW!** iRover<sup>2</sup> Base Model (IFP550)

**NEW!** iRover<sup>2</sup> Flat Panel Easel (FPE100)

**NEW!** iRover<sup>2</sup> Height-adjustable Wall Mount (HAWM / HAWM1)

## Have a school district interested in trialing an interactive flat panel?

Enhance a district's experience by installing their flat panel on one of the iRover<sup>2</sup> Interactive Flat Panel Carts or Wall Mounts at a special introductory price.

### Program guidelines:

- Depending on the district size, and previous iRover2 purchases, a district is eligible to purchase any combination of up to five carts/wall mounts at a special introductory price. Special price carries over to additional units based on 5% of classrooms within a district. See example below.
- Schools that have already purchased an iRover2 Premium Model (IFP500) may be eligible for one unit of the new Base Model (IFP550), new Flat Panel Easel (FPE100) or new Wall Mount (HAWM/HAWM1) and must be qualified by your Copernicus National Sales Manager
- One-time price is applied when all units are ordered on one PO with same delivery date
- Dealer will receive a 50% discount off MSRP and will pass these savings on to the school district
- Registration details must be provided by dealer (at right)
- Quote number will be provided to accompany PO to ensure special pricing
- Unused LiftOff registrations will expire after six months

### Tips on maximizing the LiftOff Program

#### Competitor Evaluation:

Identify 3 or more of your customers that are currently purchasing another manufacturer's cart from your competitor

#### New Opportunities:

Present this program to 3 or more of your customers you would like to work with
