

To reduce sharing, use these name templates to make it easy to assign devices to individual students

Instructions for Tech Tub²® that holds 10 devices:

Before printing

- Enter each student's name using the fields set in the PDF, or print pages out and write student names

Printing

- Templates are designed to be printed on US Letter sized paper (8.5" x 11" portrait)
- Print at 100% (no scaling required)
- Prints in black and white
- Set to only print document pages 2 and 3
- Trim page 2 as indicated

After printing

- Apply low-tack tape to each corner of the template and attach it to the side of the Tech Tub[®]

(Template for bottom tub)
