Ready™

"I've been given a budget for a class set of VR kits and need to find a way to store everything. We're going to be sharing our VR sets throughout the school, so organization and easy charging is a must."

The VR Storage Cart is designed to protect your investment and keep headsets and all the peripherals you need neatly organized and ready to deploy.

Virtual Reality (VR) Storage Cart (VRC300)

- High security
- Lock all headsets and devices within the cart with one lock (on door)
- Sturdy but lightweight cart with two handles for ease of mobility
- Cart holds 30 sets of VR devices and headsets, including Homido Grab VR Viewers, View-Master, Google Cardboard, I am Cardboard and most popular brands
- 4 Really Big Tubs with dividers for easier deployment and access to headsets and devices
 - Three of the tubs hold 10 headsets each (removable from cart)
 - One tub holds 30 devices with 3 x 10 port USB hubs
- Doors have built-in storage pockets for a wifi router and the teacher's tablet
- 4" locking casters
- Power timer for charging (requires 1 outlet)
