iTeach® Spider Flat Panel Cart

- Engage your audience anywhere with the new and modern black iTeach® Spider Flat Panel Cart, a stylish solution to your flat panel mobility needs.
- Available in either an electric or manual height adjustable model. Sleek black finish adds a dramatic and modern touch to any environment.
- Each supports a display up to 100" / 250 lbs (to include all cables and accessories). VESA mount size up to 800 x 600. Please call for assistance with your specific set up.
- Electric version comes with a UL-approved system that allows for 18" of smooth height adjustment (from 37" at the bottom to 55" at the top) with a handy wired remote.
- Manual height adjust version features a mounting bracket that can be attached at six different heights. The brackets range from 20.63" at the bottom to 67.88" at the top. Each set of brackets is 6.3" apart.
- Overall dimensions of height adjustment will vary depending on the size of your display.
- Optional power strip surge protector with seven outlets, a 25' cord, and cord winder available.
