Fax: (732)-222-7088 | E-mail: sales@touchboards.com

Dear Valued Customer,

Congratulations on your new purchase of your tablet charging and storage cart. Your cart is designed to store, protect and charge up to 32 tablets simultaneously. You have the options of charging half or all your units at one time. The two shelves system is designed to have it 16 devices plug into the 16 outlet power strip corresponding to each shelf to help simplify your power management needs. The power strips can be accessed by opening the secured rear door of the unit. The optional model #CT (2 per cart) is a 24 hour timer that will allow your devices to conveniently charge during the night or during off hours. The doors will open to a full wrap-around position to allow for full access to both sides of the cart. Rolling the cart around your facility is easy with the industrial grade 4" casters (2 locking.) All of the devices will simultaneously start charging as soon as you plug in your power strips to a power source. The large shelf located at the top of the cabinet allows for the storage of other pieces of equipment that needs to be secured.

Sincerely,

Oklahoma Sound

Manufactures Warranty

Our carts undergo the most rigid and exacting test for superior quality and performance before leaving our factory. Oklahoma Sound warrants this product to be free from defective material and workmanship on this unit for five years from the date of resale by an authorized Oklahoma Sound distributor. Oklahoma Sound will replace defective parts and repair malfunctioning products under this warranty when the defect occurs under normal installation and use, provided that the unit is returned to our factory via prepaid transportation after direct authorization and approval from Oklahoma Sound. This warranty provides that examination of the returned product must disclose in our judgment a manufacturing defect. This warranty does not extend to any product which has been subject to misuse, neglect, accident, improper installation or where the serial number has been removed if defective and is given in lieu of any other warranty implied or expressed and will not cover any damage.

Dear Valued Customer,

Although extreme care goes into manufacturing and packing of this unit, mistakes are possible. If you encounter any defects or you feel that something is missing, please call our toll free customer service line at 1-800-261-4112 for courteous and immediate resolution to your problem.

Sincerely

Oklahoma Sound
