INTRODUCING THE 1730 TRANSPORT CASE

From the loading dock to the final destination, the new 1730 is the rugged transport case for the job. Stainless steel ball bearing wheels and a fold down handle turn big loads into a one-man job.

Got a whole pile of gear to move? Heavy cleats lock a stack together as one secure load.

The new 1730 Transport Case from Pelican makes hand trucks obsolete.

Exterior Dimensions: 37.50" x 27.13" x 14.37"
(95.2 x 68.9 x 36.5 cm)
