

# Natural Cork Rolls

Tackboard Resurfacing Material

## A. Natural Cork Rolls

- Renew or replace any torn or worn board with natural cork rolls.
- Cork is an environmentally responsible, naturally renewable resource. It is harvested from a cork tree, stripped with careful cuts that do not harm the inner core of the tree. The cork bark regrows, and this process allows a useful life of more than 150 years for each tree.
- Available either cut to size or in pre-cut sizes. Adhesive for rolls sold separately. Please add fiberboard or other appropriate backer to allow for use as tack surface.
- TAA compliant. Manufactured in the US of foreign and domestic materials. Ten year guarantee.

Key	Part No.	Dimensions	Ship Wt.
<b>A. Natural Cork Rolls</b>			
A1	NCK406 <sup>1</sup>	4'H x 6'W	9 lbs
A2	NCK408 <sup>1</sup>	4'H x 8'W	12 lbs
