## Pricing and quotation

- All of the bundles have already pre-selected the **E36150ADVU** upgrade option. The **E36150ADVU** price is included and already summed in the bundle top model price (see Figures 1, 2, 3, and 4).
- For the automotive bundles **E36154AGVX**, **E36155AGVX**, **E36154ABVX**, and **E36155ABVX**, the **E36150ATMU** upgrade option is already pre-selected, and the option price is already summed in the bundle top model price (see Figure 2 and 3).
- For the good value bundles **E36154AGV**, **E36155AGV**, **E36154AGVX**, and **E36155AGVX**, a discount price of up to \$300 or around 6% is already structured into the bundle's top model prices (see Figures 1 and 2).
- For the better value bundles **E36154ABV**, **E36155ABV**, **E36154ABVX**, and **E36155ABVX**, a discount price of up to \$650 or around 11% is already structured into the bundle's top model prices. Please follow **Step 3** to choose a BenchVue Advance Software license type that fits your measurement application. A selection of a license type for either BV9200B or BV9201B is mandatory for the better value bundles, and the license price will be rolled up into the total price (see Figures 3 and 4).
- For any additional selection of the available options in **Step 4** and available services and support options in **Step 5**, the prices are individually listed and will be summed into the final price (see Figure 4).

## Packaging

Each bundle will be packaged into a single box and shipped from the factory with a label indicating the bundle product number and contents. Note that products included in each bundle must NOT be broken out and sold separately.
