

Loctite®

Item Number 720228

Description: 50ml Manual Applicator

Insert plunger, track side down, into slot on front face of the applicator. Push up the metal lever on the back of the applicator and slide the plunger full length into the applicator.

Lift up the plastic catch on the syringe holder bracket.

Drop in the syringe. Return the holder to original position and snap catch back into place. Dispense product by squeezing trigger.
