

# Fluke Premium Care plans

Coverage that prevents unexpected downtime caused by damaged test equipment, accessories, or tools in need of calibration or repair.

## Accidental damage and repair

Avoid costly repairs and rest easy knowing that any damage to your test tool is covered

## Replacement of damaged accessories

Replace damaged accessories that could be affecting the accuracy of your test results at no extra cost

## Annual tool inspection, calibration, cleaning, and updating

Ensure your test tool is providing accurate results and adheres to regulatory compliance by leaving it in the hands of our experts

## Expedited calibration and repair

Skip the wait—your calibration or repair will be expedited so you can get back to your tool and work faster
