

# **R** Richelieu *ERGO*

## **5007821XXX**

### The next generation

The new 5007821XXX is a stunning take on an already brilliant innovation from Richelieu Ergo. One part workhorse, one part museum piece, this new monitor arm continues in the fine tradition of its predecessor and builds on a sterling reputation.

### **5007821XXX UNIQUE FEATURES**

- Quick Connect allows fast, simple assembly.
- Flexibility and more options for the end user with a simple, easy-to-use Allen wrench adjustment to counter balance the weight of the monitor.
- Double Extension models allow 24" of back and forth movement. Arm folds back to post for more desk space
- The arm swivels 360° around the base, increasing the options for display position
- Options are available for panel, wall and slatwall mounting configurations
- Desk clamp and grommet mount hardware are included to minimize SKUs
- Clamp and grommet adjustable to fit most desks and work surfaces
- With a clamping range of 1/2" to 2 3/4" that is standard for the 5007821XXX, this new arm will fit to any work surface
- New cable manager keeps all cables hidden
- Monitor mounting bracket contains both 75mm and 100mm hole patterns to comply with VESA standards
- Choice of finishes - white, black or polished

### 5007821 with Height Adjustable Arm

#### Description

Dual-Screen, two Double-Extension Arms with one Height-Adjustable Segment per screen

Black    White    Polished

To specify colour, replace the "XXX" in part number with: 90=Black, 30=White, Polished 140  
For example, to get "5007821XXX" in white, order 500782130.
