

EASY QUICK CLAMP STYLE CONTACT

- Fits 1/4" ~ 1 1/2" pipes
- Compact & easy to use

The ATTPC2 pipe clamp adapter is a K-type thermocouple accessory designed to easily grip pipes for quick temperature measurements. The rugged compact design allows for a secure connection even in crowded workspaces. The probe is thermally isolated from ambient temperatures to preserve temperature accuracy. The ATTPC2 is backed by a one year limited warranty.
