

Automatic Tip Cleaner WATC100

Universal, fast cleaning of soldering tips and tweezers

VERSATILE. EFFICIENT. POWERFUL CLEANING.

The versatile WellerTools WATC100 cleans soldering tips and tweezers in a second without spilling any debris on your workbench. With the Weller WATC100 the life of your soldering tip will be enhanced, and soldering results will be of higher quality and consistency because of better heat transfer from the tip to the components. Save time, money and protect your investment.

Increase productivity

High performance cleaning process, cleans tips fast and clean in only 1 second with automatic on/off function.

Free of debris

Debris free workspace, no splashes that could damage workpiece; for total control of the soldering process.

Automatic ON/OFF activation

Different brushes for different cleaning intensities

Maintenance-friendly, hygienic emptying of the collection cups

CLEANING IN JUST
1 SEC.

UP TO
2x
LONGER TIP LIFE

Reduce costs

Better heat transfer delivers consistent high quality soldering results. Optimal tip care extends tip life versus manual cleaning.

Universal

Universal cleaning of soldering tips and tweezers, giving highest flexibility in demanding soldering environments.

Specifications

WATC100M Automatic Tip Cleaner with Metal Brushes
 WATC100F Automatic Tip Cleaner with Fiber Brushes

Mains supply voltage	100 - 240 V
Power consumption	50 W
Operating Temperature	-10 to 45°C / 14 to 113°F
Weight	1754 g / 61,8 oz
Brush diameter	43mm / 1.693"
Operating modes	Sensor and continuous

Accessories

- WATCBF**
 Replaceable brushes (fiber) in pairs for WATC100M / WATC100F
- Fine bristled fiber brushes (non-metal)
 - For smaller, fine soldering tips

- WATCBM**
 Replaceable brushes (metal) in pairs for WATC100M / WATC100F
- Metal brushes
 - For large, heavy duty soldering tips

- WATC100T**
 Tray replacement for WATC100M / WATC100F
- Reusable due to robust design
 - Maintenance-friendly, hygienic emptying of the collection cups
 - No damage to the WATC100 due to hot solder wire residues

- WATCSG**
 Silicon Splash Guard (2 Pack) for WATC100M / WATC100F
- Heat-resistant
 - Come in 2 colors (1x black, 1x gray) to visually differentiate between lead-free and leaded soldering applications

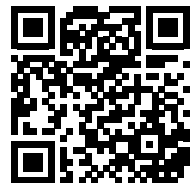

NO COMPROMISE. GENUINE WELLER TIP QUALITY.

Why use Genuine Weller tips?

- ✓ **Tool protection -**
Protects soldering iron from irreparable damage
- ✓ **Optimal performance -**
Designed for excellent heat transfer to deliver ideal soldering joints
- ✓ **Cost savings -**
Consistent performance reduces rework

Look for the Genuine Weller Tips:

- ✓ Seal of Quality on packaging
- ✓ Weller Logo on tips
