Dear Hugo,

Please use this letter as Hubbell's endorsement of Fluke Network's DTX-1800 Digital Cable Analyzer. We have utilized the DTX-1800 to evaluate the performance of our NEXTSPEED Ascent 6E+ (Cat 6) link and channel configurations. The ability to accurately and repeatably correlate with our laboratory grade HP 8753ES Network Analyzer is extremely important to our customers as well as our internal staff. We also approve of the Fluke Network's DTX-1800 Digital Cable Analyzer for use in Hubbell's 25-year "Mission Critical Program".

Sincerely,

Michael R. O'Connor, RCDD/LAN
