

Anthology

Redefining meeting spaces

JSI #lovewhatyoudo

ANTHOLOGY

A COLLECTION OF INSPIRED SOLUTIONS

At its heart, Anthology is more than a furniture series—it's a carefully curated collection of ideas and innovations designed to transform meeting spaces. With a harmonious blend of tabletops, bases, integrated power, and storage, Anthology empowers you to create elegant, adaptable environments where collaboration thrives and ideas flourish.

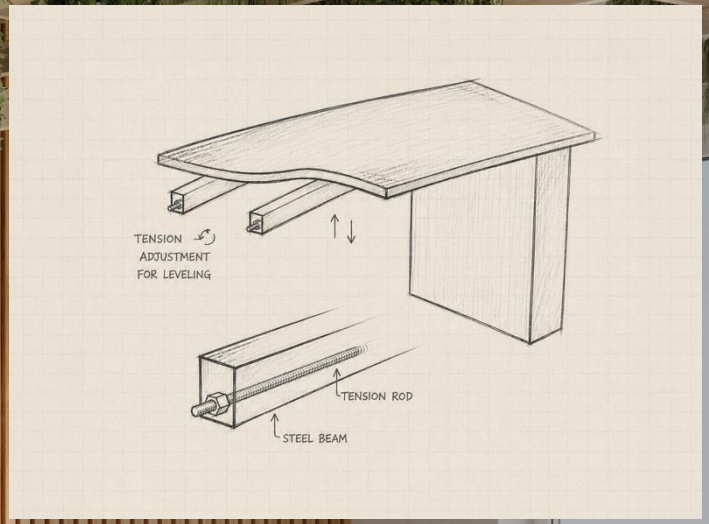

ANTHOLOGY

ENGINEERED FOR ELEGANCE

The patent-pending BridgeLine support structure spans impressive lengths with ease, without the need for additional support or bases. Its minimalist design accentuates the table’s form, offering a clean, uninterrupted aesthetic that balances strength with simplicity. BridgeLine’s adjustable tension rod ensures flawless stability and strength across broad, unsupported spans, accommodating diverse top materials such as wood, stone, and glass.
