A PLACE TO COLLABORATE.

Smart technology with both integrated and wireless power options create functional and flexible learning spaces.

FUNCTIONAL SPACES.

Today's ever-changing learning spaces require more than your basic table series. Easy linking with non-directional and non-sequential power capabilities, Lok creates gathering and training spaces with ease.

Stimulate personal interaction with tables that invite conversation and create spaces for gathering.
Whether it's a quick touch down meeting or an all day training session, this series has what you need.
