

Satisse

metal seating family

 JSI HEALTH

comfort is KEY.

COMFORT WHERE IT'S NEEDED MOST.

With its diverse offering, guests are encouraged to relax and find support in the moment. Thoughtful design allows seamless reconfiguration, catering to changing priorities, floor plans, and cleaning regimens.

Designed by Mike Shields

SATISSE

A MAGLINX™ ATTRACTION

MagLinx™ connectors make installation simple and rearranging spaces a breeze. These patent-pending glide connectors create an incredibly strong magnetic bond without requiring hardware or additional tools, resulting in furnishings with endless flexibility.

form plus FUNCTION.

SATISSE

ATTRACTIVE SPACES THAT STAY THAT WAY

With a beautiful form that follows function, Satisse features a wall-saver design that positions the back legs to protect walls from markings, as well as a clean out at the back of every seat, complementing the unique lines of each unit.

human **CENTERED.**

SATISSE

HUMAN-CENTERED SEATING

Satisse considers multiple aspects of patient comfort, including easy access chairs designed for patients needing additional assistance getting in and out of seated positions. Guest seating and inline tables may be installed with connecting hardware at the seat level.

design that SITS WELL.

SATISSE

DESIGN THAT SITS WELL WITH EVERYONE

The arm arch design of Satisse allows everyone to settle into their most naturally comfortable resting position. The pommel arm grip is subtly curved to support visitors as they shift to stand.

SATISSE

ACCESS TO COMFORT

Access to comfort is as important as access to care. Satisse puts everyone at ease by welcoming patients and their advocates with an offering that includes armless, high-back and seating in various widths.

warm + WELCOMING.

SATISSE

WARM + WELCOMING

Every detail matters when you're creating an all-encompassing experience for patients and families. Functional. Beautiful. Warm and welcoming. Satisse is designed to feel like home, so people feel cared for the moment they step into your space.
