

JIM ELLIS AUTOMOTIVE HQ | Chamblee, GA

Designer: Details Design

Portfolio Jim Ellis Automotive HQ

A layered space built for focus, hospitality, and momentum. This corporate headquarters brings together clean architectural lines with soft, textural moments—reflecting the precision of the automotive world while making space for human connection.

From private offices to open collaboration zones, each setting supports movement, intention, and ease. JSI pieces help ground the space in warmth and flexibility, echoing the brand's legacy of service and forward motion.
