

# Flyte

---

Flewber was the first leg.  
Flyte is the final destination.

# One platform. Four revenue verticals.

Flyte operates across four scalable verticals—Hops for regional B2B travel, Luxe for private charters, Escapes for curated getaways, and Air for scheduled private routes. One seamless platform, built for growth.

# Flyte Luxe

Flyte Luxe delivers on-demand private jet charters with white-glove service from booking to touchdown. Every flight is tailored—whether for business or leisure—flying when and where you need, without compromise.

- ✓ Personalized concierge service for every booking.
- ✓ Optimized routes for cost-effective charters.
- ✓ High-margin flights with predictable profitability.

# Flyte Hops

Flyte Hops connects exclusive partners—like Mohegan Sun, country clubs, mountain resorts, and golf destinations—with seamless regional travel, bypassing commercial hubs and flying guests directly via underutilized airports.

- ✓ Mohegan Sun already flies guests.  
Pipeline: resorts, golf clubs, and corporate hubs.
- ✓ Seat-block contracts with B2B partners ensures profitability from day one.
- ✓ Cirrus Vision Jets—fuel-efficient, safety-enhanced, and built for regional routes.

# Flyte Escapes

Flyte Escapes turns private flights into unforgettable journeys with handpicked destinations—luxury resorts, mountain retreats, private villas, and exclusive events.

- ✓ Flights + premium stays, tailored for HNWI and elite travelers.
- ✓ Exclusive collaborations with premium resorts and lifestyle brands.
- ✓ Bundled packages drive premium revenue.
