

# Journal of Innovation Sciences and Sustainable Technologies

A Make in India Creation

---

Volume 1 . Number 4 . October 2021 . 273 - 353

---

## CONTENTS

### ORIGINAL RESEARCH

Dynamical Behavior of Canada Lynx and Snowshoe Hare  
Population in Fluctuating Environment  
Sampurna Sengupta 273

Mathematical Modelling of Additive Manufacturing Processes  
Hardik Joshi . Brajesh Kumar Jha 297

### FORUM FOR INNOVATION AND SUSTAINABILITY

Discussion on Strategies to Mitigate Atmospheric Carbon Dioxide  
A.K. Misra . Anjali Jha 307

A Model for Fluid Flow in a Network of Pipes with Special  
Reference to Blood Flow in Arteries  
T. S. L. Radhika 325

Malaria Eradication Strategies Program (MESP): Challenges  
and Information Technology(IT) Perspectives  
V. Sree Hari Rao . G. Madhu 341
