AMS Cargo Center – Changiweg 5, Rozenburg

AMS Cargo Center I is located on Schiphol Logistics Park and concerns a new multi-tenant warehouse with a total surface of approx. 34,000 sq.m., divided in five sections and includes 229 parking spaces.

AMS Cargo Center is realized in accordance with the BREEAM methodology and comprises a 'Very Good' certificate. Furthermore, the building consists of 35 docks, a maximum storage height of 12.2 m1, sufficient floor load capacity, ESFR sprinkler system and LED lighting.

Location

Directly adjacent to Amsterdam Schiphol Airport, Schiphol Logistics Park (SLP) is the most conveniently located distribution park for logistics companies in the Netherlands. Thanks to its proximity to the airport, the park has a truly international and dynamic dimension. As a result, a high number of national and international organizations operate in the area of Schiphol.

High profile organizations with distribution centers in the region amongst others expeditors, SEKO, XPO, Kuehne + Nagel, DHL, Geodis, DB Schenker, Panalpina, Agility, Bonded Services (Iron Mountain), Independent World Services, ViaEurope and Aramex.

Accessibility

The location comprises a high attention value towards the highway A4 (Amsterdam – The Hague) and is furthermore directly situated next to the provincial highway N201. The cargo platform of Amsterdam Airport Schiphol is accessible within less than five minutes.

Available spaces

The availability of this building is approximately 5,545 sq.m., divided as follows:

Unit C	
Warehouse	4,962 sq.m.
Mezzanine	439 sq.m.
Office	144 sq.m.
Total	5,545 sq.m.

Parking
