IDEAL LOCATION, GREAT SPACE

Nieuwezijds Voorburgwal 162

3,351 sqm

Our flagship Netherlands space sits right by Dam Square, and is housed in a magnificent, grand preservation building (formerly a local bank). With a ground floor, four additional floors, and a lower level, experience the old-world charm of historical rooms that have been immaculately preserved. There is plenty of space to meet the individual needs of companies looking to house their teams with comfort, ease and flexibility.

Het Mindspace vlaggenschip staat recht tegenover de Dam en is een voormalig bankgebouw, waar de grandeur nog volop te zien is. Met een royale begane grond, vier verdiepingen en een enorme kelder; dit is een pand waar de geschiedenis van af druipt. Van de historische vergaderkamers, die in volle ere zijn hersteld, tot aan de entree. Er is genoeg ruimte voor bedrijven in elke vorm en grootte die zich graag willen vestigen zonder gedoe, met alle comfort en flexibiliteit van dien.
