## Kloveniersburgwal 50

**Venue**, a monumental masterpiece transformed into a breathtaking place to work and meet.

Imagine yourself in a beautifully renovated monumental office space in the heart of Amsterdam.

Once an impressive church and later a theatre, this iconic building has been transformed into a high-quality office environment. An architectural masterpiece that honours Amsterdam's rich history while embracing contemporary design.

A listed monument with high ceilings, a glass roof and a beautiful spacious atrium with office space all around.

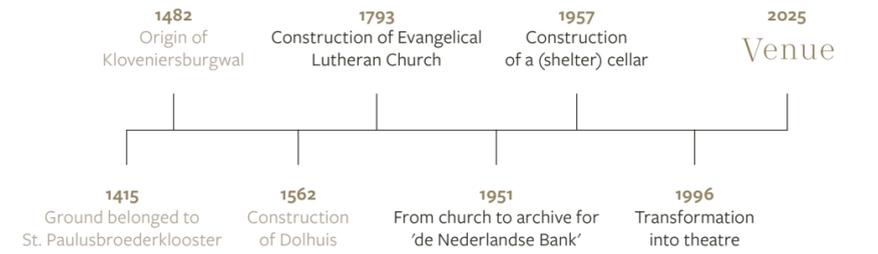

Venue embodies the spirit of Amsterdam, where the past seamlessly transitions into the future.

HOMAGE TO AMSTERDAM'S PAST

## Rich history

Venue in Amsterdam is a beautiful building steeped in history and cultural significance. The office building is housed in a former Lutheran church constructed in 1793.

Kloveniersburgwal dating 1867 to 1875

HISTORY

# Kloveniersburgwal

The Kloveniersburgwal owes its name to a division of civic guards called kloveniers, named after the gun they were armed with. A 1642 painting by Rembrandt van Rijn entitled The Night Watch depicts the riflemen of the Kloveniersburgwal, or the company of Captain Frans Banning Cocq and Lieutenant Willem van Ruytenburg, preparing to march out.

De Nachtwacht - Rembrandt van Rijn

A BEAUTIFUL HERITAGE

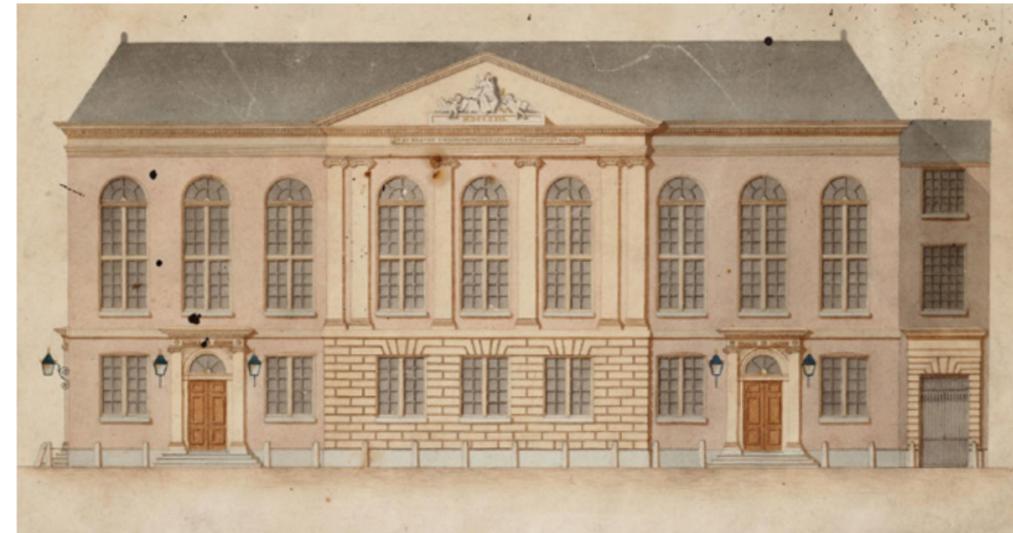

## An architectural masterpiece

The monumental building has recently been renovated into a breathtaking office building.

Venue is an example of beautiful architectural highlights of that time, with its majestic facade and characteristic details. The building has been lovingly renovated with meticulous attention to detail, resulting in a dazzling architectural masterpiece that pays tribute to Amsterdam's history.

The classicist pediment with Lutheran sculpture

An engraving of the final facade based on the architectural drawings.

### The architect

The foundation stone was laid on 5 July 1792. The design was by city architect Abraham van der Hart, who as city architect of Amsterdam from 1777 until his death in 1820. Van der Hart was raised in the teachings of classicism. Venue has a classicist pilaster facade with a pediment.

### Impressive façade

What immediately catches the eye is the impressive facade that reflects the building's rich history. The beautifully crafted architectural elements bear witness to care and dedication.

The columns, wooden cornice and pediment give the facade even more allure.

### An eye for every detail

The transformation of this historic building into a renovated masterpiece is a project fuelled by a profound respect for its rich heritage. This listed building is undergoing a meticulous renovation, where every detail is honoured. Original materials, long-standing colours and architectural highlights have been preserved with care, breathing new life into this iconic structure.

KEY FACTS

## Special characteristics

Venue elaborated in detail to improve your work experience.

- Multi-functional ground floor;
- Impressive high ceilings and a glass roof;
- Spectacular atrium providing lots of natural daylight;
- Ceilings of new split-level floors are covered with sound-resistant felt finishing;
- High-end renovated toilet groups on every floor;
- High-end renovated shower facility;
- Wooden beams restored to their former monumental glory.

2,799 SQ. M. LETTABLE FLOOR AREA

## A unique working environment

The true grandeur of this project is revealed as soon as you enter the building.

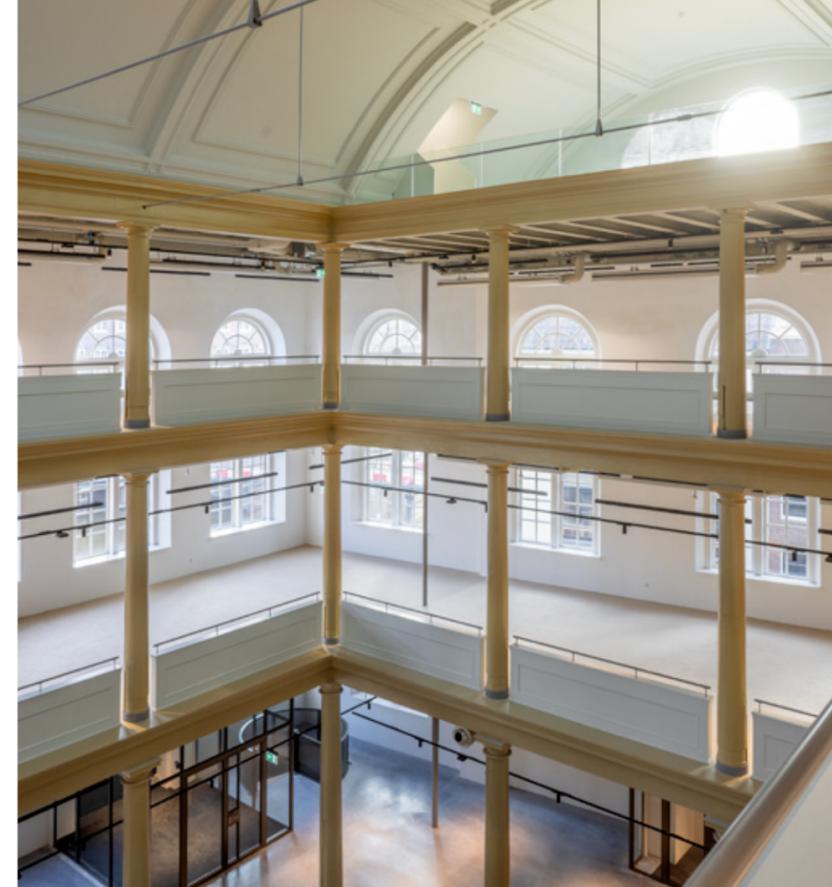

The luxurious office spaces present a unique opportunity for companies seeking to thrive in the heart of the city, in a location steeped in history and prestige.

The office floors are designed with comfort and productivity in mind. With plenty of daylight, flexible layouts and high-quality finishes, they provide the ideal environment to grow and flourish.

Venue also offers space to provide a range of services to improve your work experience. This way, a beautiful reception and common areas for networking can be created.

The attic gives a safe and atmospheric feeling.

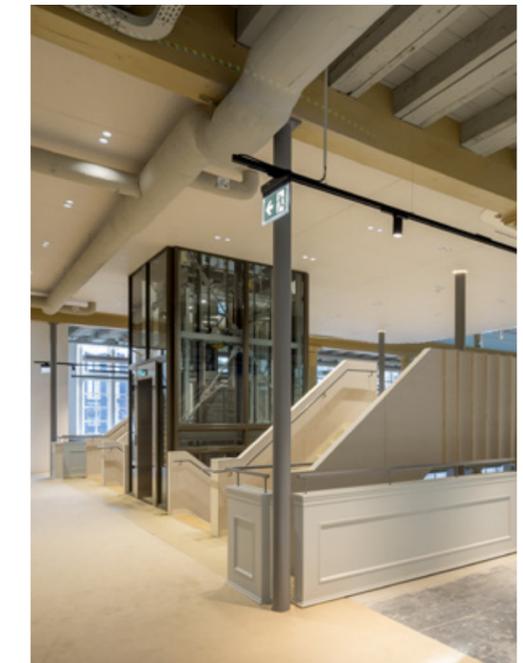

The beautiful high atrium here natural light flows in.

### The beating heart of Venue

The stunning atrium, with its majestic height and elegant design, is a breathtaking space that tantalises the senses. A masterpiece of design and engineering, the atrium serves as the beating heart of the office building, where natural light pours in abundantly, and where modern luxury seamlessly blends with historical splendour.

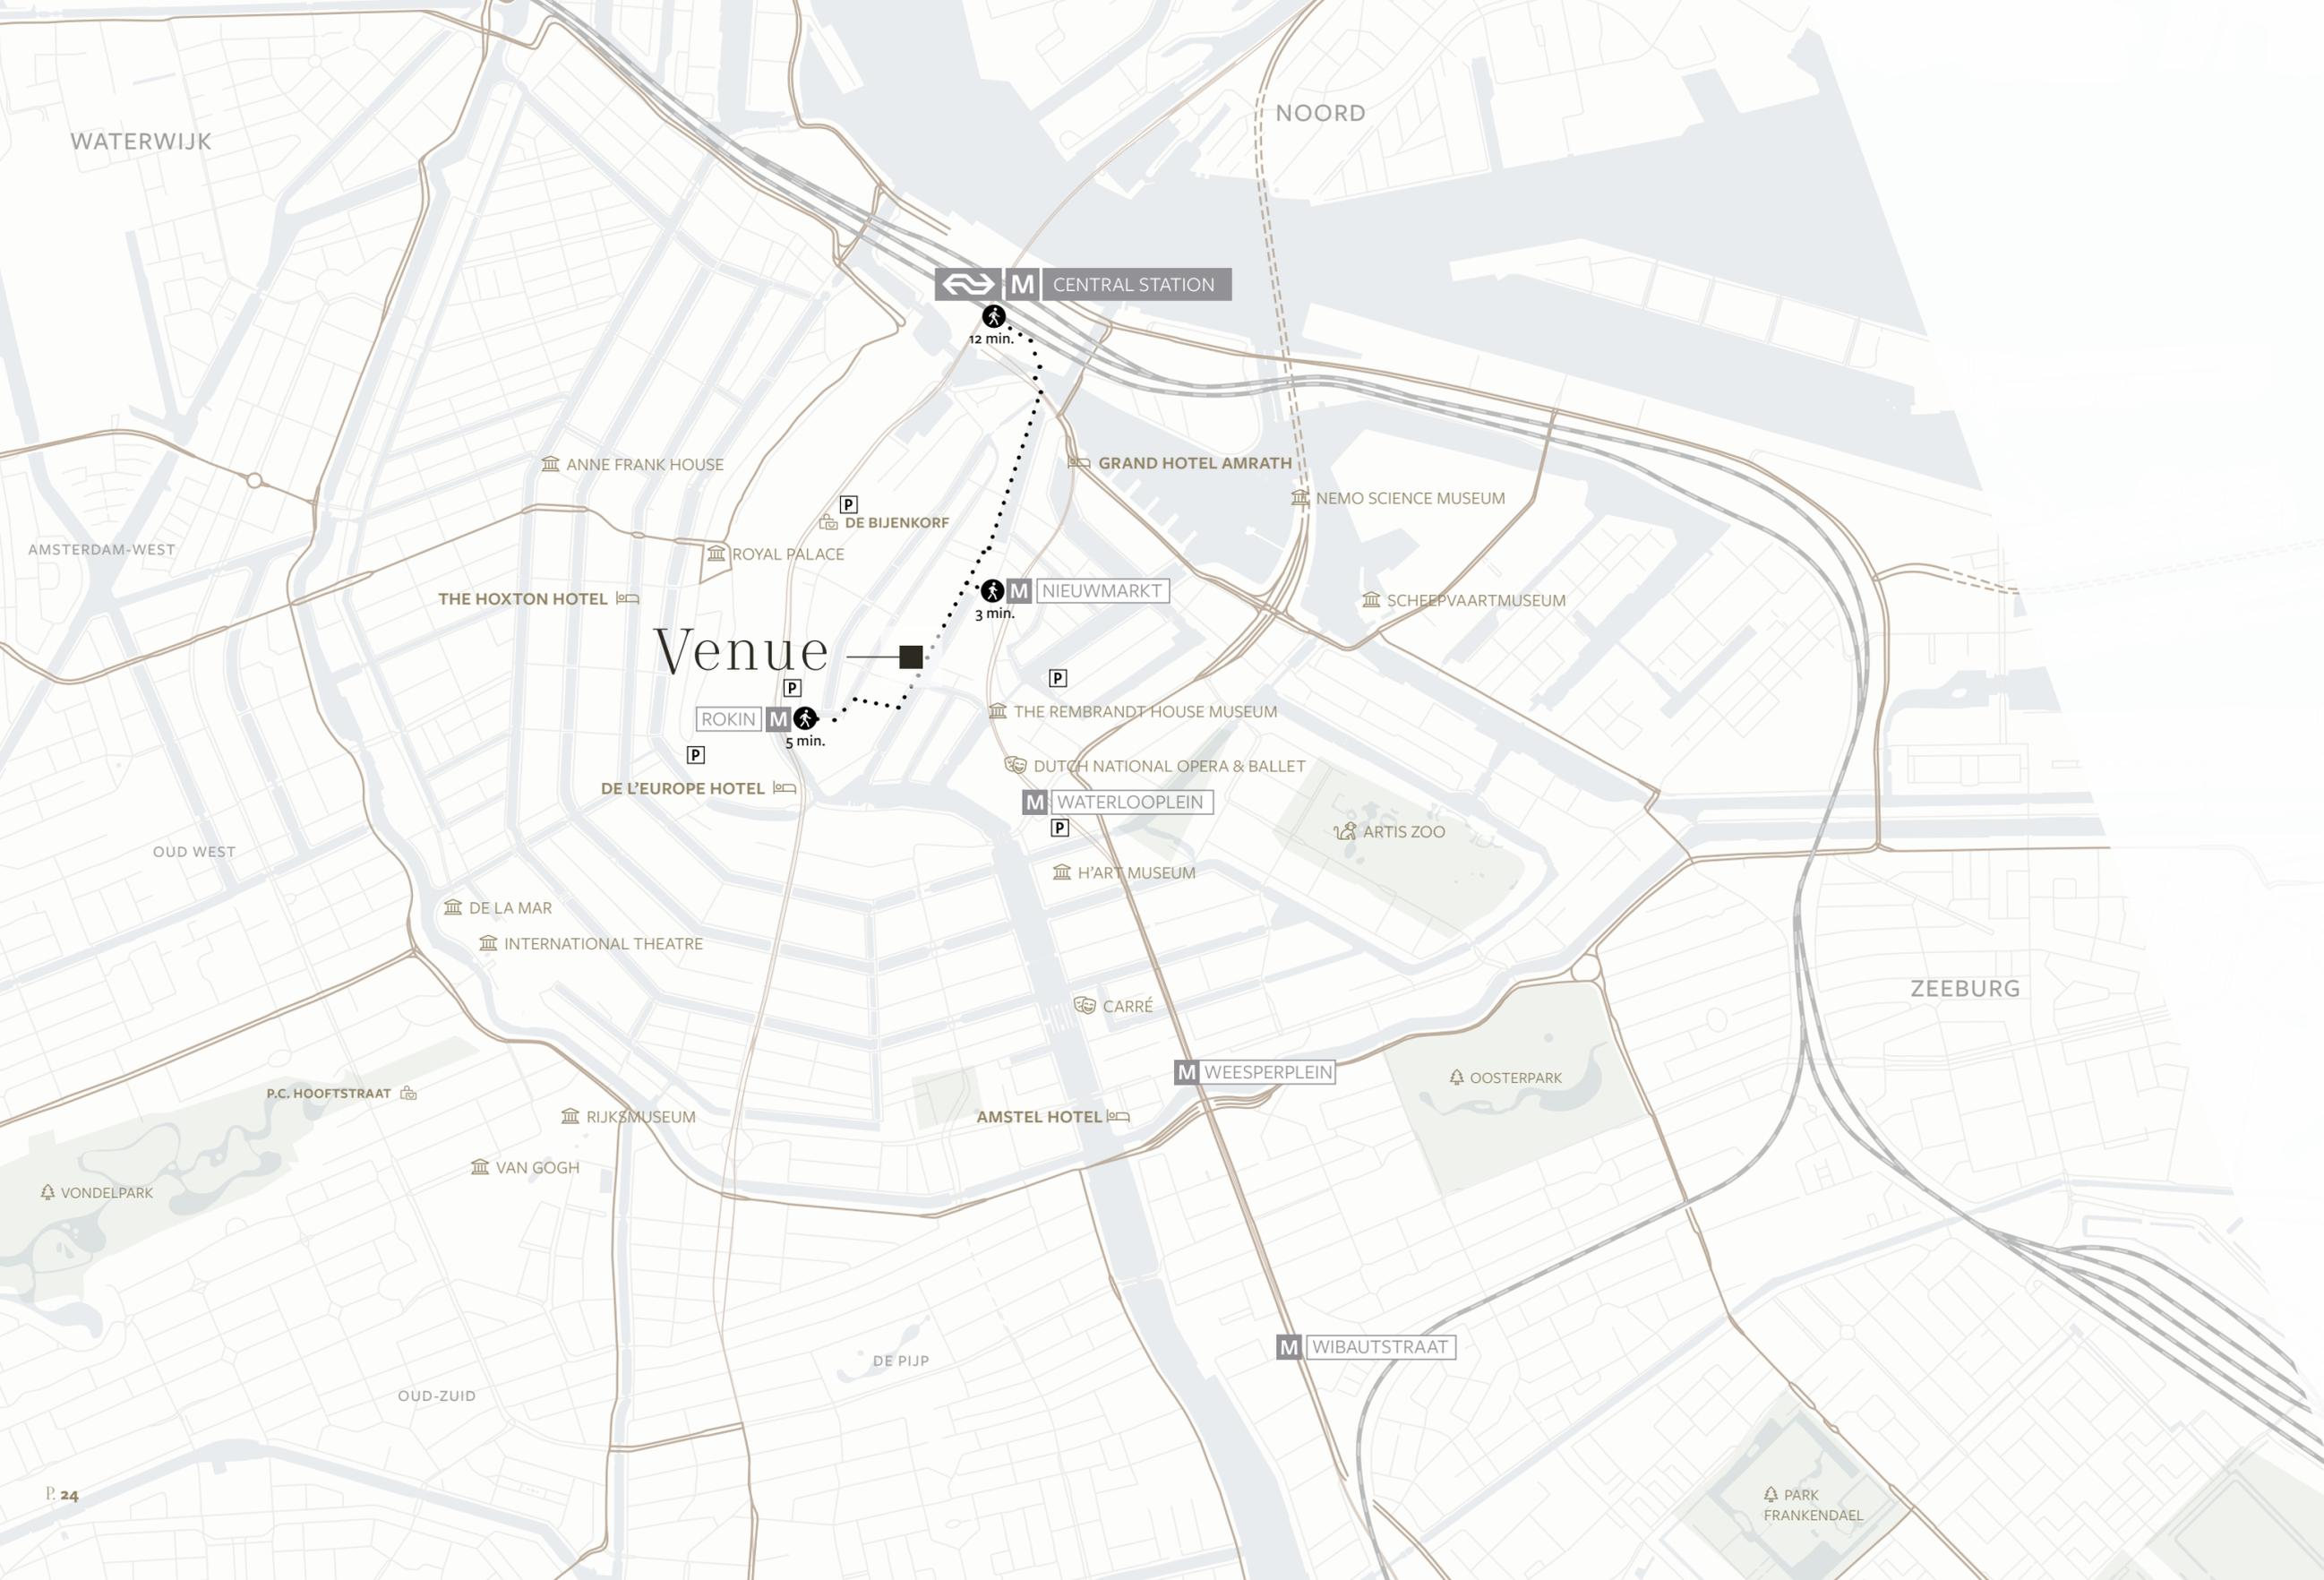

### Sustainability

The essence of the space is returned to its origins, allowing its historical charm to shine through while seamlessly integrating modern amenities. Sustainability was at the forefront of this transformation, with eco-conscious practices and innovative technologies being incorporated to ensure a greener future. The result is an awe-inspiring restored office building that seamlessly combines history and luxury, setting a new standard for the contemporary workspace. Venue is a symbol of timeless elegance and sustainable innovation.

OF VENUE OFFICE  
AND THE BEAUTIFUL  
SURROUNDINGS

AN UNPARALLELED LOCATION

## In the heart of Amsterdam

The location is second to none. Enjoy a short walk to the lively Nieuwmarkt or Rokin where you can enjoy various restaurants, cafés and shops.

Nestled along the historic Kloveniersburgwal, Venue enjoys a prime location in the heart of Amsterdam. Public transport is readily available, with the Rokin metro station (North-South Line 52) just minutes away, providing fast connections throughout Amsterdam. For those travelling by car, several parking facilities are conveniently located around the corner, ensuring easy access despite the central setting.

The vibrant atmosphere of Nieuwmarkt, with its inviting terraces and historic character, further enhances the appeal. This strategic location seamlessly connects Venue to Amsterdam's business districts and transport hubs, while offering professionals a perfect balance of accessibility, urban comfort and cultural richness.

## In the neighborhood

This is where it happens! A vibrant environment with restaurants, bars, gyms, hotels, art and culture.

▼ **The National Opera and Ballet** offers world-famous operas and unparalleled ballet and dance performances.

[operaballet.nl](http://operaballet.nl)

▲ **Sterk Staaltje**  
The authentic and home-made kitchen for a sandwich, daily groceries or complete catering.

[sterkstaaltje.com](http://sterkstaaltje.com)

◀ **Café de Jaren**, opened in 1990, is a bright and spacious café in the centre of Amsterdam, located between Muntplein and the National Opera and Ballet. Inside, high ceilings and plenty of space create an attractive ambiance.

[cafedejaren.nl](http://cafedejaren.nl)

The café, originally called Het Amsterdamsch Litterair Café **De Engelbewaarder**, is named after the novel 'Herinneringen van een Engelbewaarder' by W.F. Hermans. It is the first literary café in the Netherlands.

[cafedeengelbewaarder.nl](http://cafedeengelbewaarder.nl)

◀ Every **Puccini Bomboni** chocolate is meant to be a unique experience. Rich in taste. When you eat chocolate, you have to take the time to taste it. Enjoy these and many other delicatessen shops in the immediate area.

[puccinibomboni.com](http://puccinibomboni.com)

Take a short walk to the lively **Nieuwmarkt**. A square known for its intimate cafes, restaurants and markets. Enjoy a drink on a terrace, engage in lively conversations and taste the various cuisines that Amsterdam has to offer.

**De L'Europe Hotel** is an iconic five-star hotel located along the Amstel River. Renowned for its timeless elegance, it blends historic grandeur with contemporary luxury, offering refined rooms, fine dining and wellness facilities.

[deleurope.com](http://deleurope.com)

▲ Fresh ingredients and pure flavours are what **Restaurant Flore** is known for. A place that strives to leave a lasting impression with traceable, natural and healthy ingredients.

[restaurantflore.com](http://restaurantflore.com)

You don't live to train, you rain to live. If you're looking to get into shape or burn off some energy, **Sportcity** at Waterlooplein is a 5-minute walk from Venue.

[sportcity.nl](http://sportcity.nl)

## Accessibility

Central Station and other transport connections are easily accessible, giving your team and clients effortless access to your office.

 Venue can be reached very easily from various A10 Ring Road exits (S100 – S112). Parking is available along the public road (paid) or in nearby car parks.

 Local public transport connections are excellent. Metro stations Rokin and Nieuwmarkt are a few minutes' walk away, accessible from every corner of the city.

 The most efficient way to travel through the centre of Amsterdam is by bike. All hotspots are reachable within just a few minutes.

# Technical Specifications

## GENERAL

**Address:** Kloveniersburgwal 50

**City:** Amsterdam

**Floors:** 5 floor (ground floor, mezzanine 0,5, first, mezzanine 1,5, second and third floor)

**Area:** 3.765,88 GFA

**Lettable area:** 2.798,58 LFA

## SUSTAINABILITY

- **Energy label:** A+
- **Climate class:** B
- **BREEAM:** t.b.c.
- **WELL:** n/a

## AIR QUALITY PRINCIPLES / VENTILATION

Minimum fresh air (m<sup>3</sup>/h.pp: ventilation quantity per person)

- **Office:** 45 (m<sup>3</sup>/h.pp)
- **Meeting rooms:** 45 (m<sup>3</sup>/h.pp)
- **Atrium/restaurant:** 35 (m<sup>3</sup>/h.pp)

## LIGHTING

- **Type of lighting:** LED
- **Lighting level in office area:** 500 lux
- **Lighting level in common areas:** 500 lux

## MECHANICAL INSTALLATIONS

**Operating hours:** 08:00-19:00

## HEAT GENERATION

- Heat pump(s)

## COLD GENERATION AND DISTRIBUTION

- Air cooled heat pump(s)

## HEAT DISTRIBUTION

- In general induction units (cool and heat) and underfloor (cool and heat) and some places radiators.

## AIR HANDLING AND DISTRIBUTION

- Fully balanced mechanical ventilation (induction units and air sock) supported with underfloor cool and heating

## ELECTRICAL INSTALLATIONS

- **Electrical cabling on ceiling in cable ducts and in mezzanine electrical floor boxes**

## ACCESS AND SECURITY

- **Electronic access and video intercom system. Provisions for connecting a card reader by third parties.**

## VERTICAL TRANSPORT

- **Elevator Capacity:** elevator 630 kg / 8 persons
- **Multiple stairwells in place**

## STRUCTURAL SPECIFICATIONS

- **Ceiling height** (ground floor): +/- 4700
- **Ceiling height** (office floors): +/- 4000 (first floor) +/- 3700 (second floor)
- **Mezzanine floors:** +/- 2700
- **Division options:** +/- 4700
