#### The Opportunity

JLL has been retained on an exclusive basis to arrange for the sale of 924 Third Avenue, a 5 story, mixed-use building on the West side of Third Avenue between East 55th and 56th Street. The building currently has 1 vacant retail space and 8 apartments comprised of 6 free market and 2 rent stabilized units.

924 Third Avenue has been under the same ownership for generations and is a key assemblage piece in what is a large-scale development opportunity in the heart of Midtown. With a total of 36,625 BSF approx., the development opportunity is highlighted and possibly expedited by the already consolidated ownership of the surrounding properties. In the meantime, the core office and retail location affords investors the ability to create and receive exceptional income and yield.
