TWO INFILL VALUE-ADD ASSETS ADJACENT TO WHITE ROCK LAKE

OFFERING SUMMARY

Investment Overview

Jones Lang LaSalle Americas, Inc. or its state-licensed affiliate has been exclusively retained to offer an opportunity for qualified investors to acquire the fee simple interest in Reserve at White Rock and Trails of White Rock (the “Portfolio” or “Properties”), two Class A assets located in the highly coveted White Rock submarket of Dallas, TX. Completed between 1999 and 2000, the Properties present a compelling opportunity for an investor to complete the value-add program initiated by current ownership, which is already achieving rental premiums of \$200–\$400 over classic units. Situated near White Rock Lake, the Dallas Arboretum, White Rock Lake Trail, and the Dallas CBD, the Portfolio offers residents convenient access to premier outdoor amenities and key employment centers. Notably, Reserve at White Rock features a rare composition of 58% townhome units, further distinguishing it in the market. This offering represents a unique opportunity to acquire two high-quality, core assets in a high barrier-to-entry submarket.

RESERVE AT WHITE ROCK

Investment Highlights

PROVEN VALUE-ADD UPSIDE WITH SIGNIFICANT REMAINING POTENTIAL - Current ownership has demonstrated clear value-add upside by renovating a portion of the units, capturing rental premiums of \$200–\$400 over classic units. This positions the next investor to finish out a programmatic renovation strategy across the remaining classic units. Once fully upgraded, the Properties will be well positioned as premier rental options within the submarket—appealing to a broad tenant base—while still offering a meaningful discount compared to newly built communities in the area. Potential upgrades could include the following:

New stainless-steel appliance package

Faux wood flooring

Quartz Countertops

Modern tile backsplash

New cabinet fronts and removal of some cabinets to open the units

POTENTIAL BUYERS COULD CAPITALIZE ON THE UNIQUENESS OF THE PROPERTY AND IMPLEMENT OTHER INCOME INCLUDING:

IRREPLACEABLE LOCATION WITH TRUE BARRIERS TO ENTRY – Positioned adjacent to White Rock Lake, the Portfolio is located in one of the most desirable neighborhoods in Dallas. Historically, it has been extremely difficult to develop in White Rock/Lakewood as evidenced by the five-year average annual deliveries of only 136 units a year within the immediate area. Additionally, the Properties are well insulated from new like kind development as costs and market conditions would require rents approximately 40% above current effective rents at the Properties. Furthermore, there is only one new community that has just started leasing in White Rock neighborhood with targeted rents in excess of \$2.75 PSF.

UNMATCHED LIFESTYLE AMENITIES FOR OUTDOOR ENTHUSIASTS – Located adjacent to White Rock Lake with direct access to the White Rock Lake Trail, the Properties offer a unique environment highlighted by beautiful scenery, ample greenspace, and miles of nature trails and jogging/walking paths creating a tranquil, non-duplicatable setting that provides residents with a lifestyle that is rarely offered in the DFW metroplex. In addition, the Properties are located blocks from the 66-acre Dallas Arboretum, and just minutes from the White Rock Lake Boat Club.
