VALUE ADD OPPORTUNITY

Erwin Terrace is primed for renovations to achieve stronger rents given the in-place mixed-use dynamics of the asset as well as strong nearby rent comps for new product. Featuring some of the largest units in the submarket, Erwin Terrace is primed to float just below new product rents with a strong renovation profile that will be easily achievable given the early 2000's vintage of the property.

RENT PREMIUMS & IMMEDIATE COMPETITION

RENOVATION PREMIUM

Erwin Terrace presents investors with a strong value-add opportunity to renovate unit interiors and significantly push rents \$200 across the board.

With current rents on average \$500 lower than the nearest Class A asset, the Terrazzo, there's clear upside in renovations and a \$200 pop will still provide a gap to Terrazzo rents.

Erwin Terrace's Diamond units will be approximately \$150 lower than the Terrazzo post renovation, which is more than achievable with these units being over 700 SF larger than the largest two bed Terrazzo unit.

A WORLD-RENOUNDED ACADEMIC INSTITUTION

DUKE UNIVERSITY

World-renowned Duke University's West Campus is less than one mile from Erwin Terrace and two miles from Duke's East Campus. It is a hub for some of the brightest minds in the country, with strengths in medicine, technology, law and business.

The University made a commitment to grow here in the early 2000s, which has served as a major catalyst for economic expansion in the area. Duke's maxim, "Study, Train, Live – at Duke, in Durham," illustrates its long-term devotion to operating in Downtown.
