Regional Growth Initiatives

The wider West Yorkshire region continues to benefit from significant public and private sector investment initiatives aimed at improving regional connectivity and economic growth. This includes ongoing investment proposals associated with Northern Powerhouse Rail and wider TransPennine route upgrades, designed to enhance east-west connectivity across the North of England and strengthen links between Bradford, Leeds, Manchester and other major regional centres.

As the 2025 UK City of Culture, Bradford is also the subject of substantial regeneration and infrastructure investment, further supporting the city's long-term economic outlook and occupational appeal. The continued improvement of transport infrastructure across West Yorkshire is expected to reinforce the region's attractiveness as a major business and employment location.

Tenancy

The property is let by way of a single Full Repairing and Insuring Lease to Loop Customer Management Limited, guaranteed by Kelda Eurobond Co Limited from 10th December 2025, expiring 9 December 2040 providing an unexpired term of approximately 14.5 years.

The rent passing is **£513,702 pa (£13.11 psf)**

The lease provides a Tenant's option to determine on the 4th, 8th and 12th anniversaries of the term subject to six months' notice in writing. If any of the break clauses are not exercised, the tenant will receive 4 months rent free.

The lease is subject to 5-yearly upward-only rent reviews to open market value throughout the term.

The tenant's dilapidations liabilities carry over from their previous lease dated 2010.

Covenant

The property is let to Loop Customer Management Limited (Company No. 03816217), a specialist customer management business providing services principally to Yorkshire Water. Incorporated in 1999, Loop employs approximately 573 people and operates as a wholly owned subsidiary of Kelda Group Limited.

The lease is supported by a guarantee from Kelda Eurobond Co Limited (Company No. 06433768), a wholly owned subsidiary of Kelda Holdings Limited, the ultimate parent company of the Kelda Group and Yorkshire Water. Kelda Eurobond Co Limited carries a Creditsafe credit rating of 80 (Very Low Risk), with an international rating of A.

For the financial year ended March 2025, Kelda Eurobond Co Limited reported consolidated turnover of £1.302 billion and pre-tax profit of £61.8 million, underpinned by tangible net assets of £10.4 billion and net operating cashflow of £660 million.

The combination of an established operational tenant with a long-term commitment to the premises, backed by the financial strength of a major regulated utility group, provides a highly secure income profile.

Tenure

The property is held Freehold (Title no. WYK919803)
A copy of the title is available upon request.

Anti-Money Laundering Regulations

In accordance with Anti-Money Laundering Regulations, evidence of identity and source of funding will be required from the successful purchaser prior to instructing solicitors.

VAT

The property has been elected for VAT. It is envisaged that the transaction will be treated as a TOGC.

EPC

The property has an EPC rating of B.
A copy of the EPC rating is available upon request.

Long Term Strategy

Loop Customer Management Limited has demonstrated a long-term commitment to No. 1 Midpoint Business Park, having agreed a new 15-year lease from December 2025 at a rebased rent. This renewal reflects the tenant's operational dependency on the premises as their principal customer management hub.

The office operates as a contact centre hosting c. 250 employees, every working day, being the main point of contact for the Yorkshire Water customer base.

The tenant fully occupies the building with a work force that are local and settled. The tenant is currently fully committed to the property and we feel it will be unlikely they exercise their break clause.
