THE APARTMENTS

“NOMA embraces a refined architectural design, yet maintains a welcoming environment. The distinct exterior provides NOMA with a strong and individual identity, whilst the oversized windows introduce a freedom to the space.”

WISH Interior Architecture

Whether you are seeking an apartment or duplex, one bedroom or four, homes at NOMA are designed to enhance modern London lifestyles.

Welcoming entrance halls lead to open plan living areas, with natural light from oversized windows. High-quality kitchens are designed as show-pieces to welcome visitors with up-to-the-minute appliances so you can experiment with new recipes. Bedrooms are tranquil spaces in which to unwind, many with the luxury of an en suite.

Ample storage helps keep things neat. Balconies or terraces extend your living area and bring the great outdoors, in. Enhanced insulation, solar panels and a district system for heating and hot water not only cuts CO2, but is an energy-efficient way to keep running costs low and your home cosy. Green roofs and green external walls are both aesthetically pleasing and good for the environment.
