# LOCATION

## AN IDYLIC THAMESIDE SETTING

Set on the south bank of the River Thames, Building No.8's central London location means it is perfectly placed to enjoy the best of what the capital has to offer. The new Nine Elms Underground station is within a few minutes walk and will make getting around effortless. Situated by the major new public realm that is London's Linear Park, Building No.8 also offers beautiful landscaped grounds that can be enjoyed throughout the seasons.

One Thames City sits on the former site of the world famous New Covent Garden Flower Market.

#### A COLOURFUL PAST

First records of the 'Convent Garden' date back to 1200 with monks from the Abbey of Westminster growing fruits and vegetables and selling them close to the Strand. In 1670 it formally became a market at its old site back in 'Covent Garden', it then moved to Nine Elms in 1974 where it remains today as the UK's largest and most premium fruit, vegetable and flower wholesale market.

Battersea Park

There is also the 200 acre, Battersea Park close to hand. Considered by many to be the most interesting of all London parks, it has a number of historic and contemporary gardens, a riverside promenade, large lake, children's zoo and over 4,000 majestic trees, some of which date back to when the park was first landscaped in the 1850s.

### SO MUCH TO EXPLORE

Being so close to central London means there is much to see in the local vicinity. Within easy walking distance is the famous Saatchi Gallery as is Tate Britain, whose sister the Tate Modern is close by on the south bank of the River Thames. The Houses of Parliament and Lambeth Palace are reminders of the historic past of the city.
