OWNERSHIP GROUP

Crow Holdings

CAPITAL

Crow Holdings is a leading real estate investment and development firm founded in 1948 and based in Dallas, Texas. With 18 offices across the U.S., Crow Holdings' local, on-the-ground presence amplifies its hands-on capabilities across a broad range of investment strategies, product types, and ventures in partnership with institutional investors. Crow Holdings has \$32 billion in assets under management, one of the largest multifamily and industrial development platforms in the nation, investments across the energy sector including solar and battery storage projects, and a broad, diversified investment portfolio, pursuing compelling investment opportunities to capitalize on evolving, secular growth potential. For over 75 years, Crow Holdings' success has been rooted in its founding principles of partnership, collaboration, and alignment of interests, and the company continues its legacy of looking forward.

MRP | INDUSTRIAL

MRP Industrial, an affiliate of MRP Realty, specializes in the acquisition, development, financing and leasing of modern distribution and fulfillment centers. MRP Industrial focuses on strategic investment in core industrial markets and high growth potential submarkets across the Northeastern United States. Since 2013, the company has completed and is under construction with 59 buildings totaling over 32 million square feet of Class A industrial distribution facilities. In addition, the company maintains a pipeline of 800 acres with the ability to build 7.7 million square feet of potential new development opportunities.
