

# The Chandler's Building

**630 Davis Street | Evanston, IL**

## LANDMARK BUILDING IN THE HEART OF DOWNTOWN EVANSTON

Situated at the bustling intersection of Davis Street and Orrington Avenue, The Chandler's Building was built in 1910. The building underwent a complete transformation in 1999 to become one of Evanston's premier Class A office buildings. Set above a beautiful plaza, the building is bordered by complementary retail businesses.

With dozens of dining and retail options within walking distance, and convenient service via the Metra commuter train and the EL train, 630 Davis is the perfect hub to attract top talent and elevate corporate identity. The building offers the charm of vintage concrete columns, large windows overlooking the plaza and Fountain Square, and loft-style high ceilings with exposed duct work.
