## WHY KANSAS CITY?

### The Global Intersection of Business and Community

Kansas City is a globally connected community and one of the nation's hotspots for supply chain and logistics distribution. An ideal location for ecommerce with the ability to reach 85% of the US in two days or less.

Major freight distribution markets within 12 hours:

Omaha, St. Louis, Oklahoma City, Dallas, Memphis, Nashville, Louisville, Indianapolis, Chicago, Milwaukee, Minneapolis, Denver

Headquarters for Fortune 500 companies & industries including financial services, data centers, agbioscience, ecommerce, logistics and advanced manufacturing are located in Kansas City.

A concentration of highly educated labor force of more than 1 million people live in Kansas City. 37% of the metro area population has a four-year degree, in comparison to 32% for the national average. This concentration of dynamic workers means Kansas City offers an exceptional labor pool and is an indicator of the high quality of life enjoyed by its residents.
