COMMERCE CENTER

280 Mt. Carmel Road  
Byhalia, MS

## PROPERTY OVERVIEW

Interchange Commerce Center (ICC) is a 327 acre master-planned industrial park strategically located at the southeast quadrant of I-269 & Highway 302, offering convenient access & great visibility from both roadways. Interchange Commerce Center sits in Memphis' most active submarket, Marshall County, which is home to some of the highest profile distribution centers, including Kellogg's, Baxter, Nike, and Amazon. Interchange Commerce Center is developed by Scannell, a privately owned real estate development and investment company that focuses on build-to-suit and speculative development projects throughout the United States, Canada and Europe. In business since 1990, Scannell offers experienced leadership, a history of successful commercial development projects, broad geographic reach and expertise in a wide range of building types.
