

HIGH STREET

THE PREMIER DESTINATION IN ATLANTA

THE PREMIER MIXED-USE DEVELOPMENT

Central Perimeter's working environment is revolutionized at High Street, blurring the traditional boundaries of the workplace and infusing it with new opportunity and experiences. Modern conveniences, amenities, floorplates and building systems seamlessly emphasize the stature and permanent quality of architecture, attracting both new age creative office tenants and established companies alike. Here, desks and conference rooms take on many forms — bistro tables, park benches, walking meetings around the tree-lined streets. At High Street, there is no 9 to 5 or countdown to your commute home; this is where the office, reinvented, thrives.
