Newport Beach

Known for its stunning coastal location in Southern California, Newport Beach offers a myriad of attractive attributes that make it an exceptional city to live and work. The most central of the Orange County coastal cities, Newport Beach allows for convenient access for Orange County’s 3.2M person population. In addition to world-class shopping and a beautiful, pristine coastline that’s home to the largest recreational harbor on the west coast, Newport Beach has unique cultural & artistic offerings such as the Orange County Museum of Art, the Pacific Symphony and the Newport Beach Film Festival. And at its core, 4000 MacArthur is a microcosm of the city, combining a luxurious, coastal lifestyle with an aspirational workplace of the future.
