Area Map

Total of ±587,750 SF Available For Lease

Southern New Jersey

The Southern New Jersey submarket spans Gloucester and Salem counties. The area features strong immediate access to the population of urban and suburban Philadelphia, in addition to the Port of Philadelphia via three nearby bridges. Additionally, it lies at the midpoint of the New York – Washington DC corridor, easily accessing the major population centers of the East Coast.

LogistiCenter® at Carneys Point is located on North Game Creek Road in Carneys Point, New Jersey. The strategic Southern New Jersey location offers tremendous regional access from the New Jersey Turnpike and Interstate-295, as well as tri-state connectivity via the Delaware Memorial Bridge and Commodore Barry Bridge. Additional benefits to locating to this project include a strong available labor pool, lower operation costs (compared to alternative submarkets), close proximity to PhilaPort & Port of Wilmington and within striking distance to the dense surrounding populations.

About Dermody Properties

Dermody Properties is a privately-owned real estate investment, development and management firm that specializes in the acquisition and development of logistics real estate in strategic locations for e-commerce fulfillment centers, third-party logistics and distribution customers. Founded in 1960, Dermody Properties has invested more than \$10 billion of total capital across all platforms nationwide, having acquired and developed approximately 110 million square feet of logistics and industrial facilities. In addition to its corporate office in Reno, Nev., it has regional offices in northern and southern California, Atlanta, Phoenix, Seattle, Chicago, Dallas, Indianapolis and New Jersey. For more information, visit www.Dermody.com.

About the LogistiCenter® Brand

LogistiCenter® is a national trademark brand, owned and developed by Dermody Properties. It represents the firm's business philosophy of developing Class A distribution facilities that meet the supply-chain requirements of the most innovative companies. All LogistiCenter® facilities are designed to meet best practices in sustainable design and construction, and incorporate building features, such as additional clear height and extra trailer and car parking, that enable companies to execute their operations more effectively and efficiently.
