

STAR MILL

American Fork

615 N 150 E | American Fork, UT 84003
Jones Lang LaSalle Brokerage, Inc.

The background image shows the exterior of the Star Mill building. It features a prominent wooden deck with a slanted roof supported by wooden beams. The roof is illuminated by warm, glowing pendant lights. The building's exterior walls are made of horizontal wooden planks and brick. A red door is visible on the right side. The foreground shows a landscaped area with dark mulch, small green plants, and a stone foundation for the deck.

OFFICE SPACE

For Lease in American Fork

STAR MILL was built in 1888, originally fit with technology crafted by the great minds of the industrial revolution and standing as a beacon of efficiency and innovation.

TODAY, over a century later, Star Mill has been restored and expanded into a meticulously designed, inviting workplace, curated for collaboration and inspiration.
