Downtown Orlando

Activity Drivers

Orlando is quickly becoming recognized as a World Class City. **Downtown Orlando** is home to the Amway Center, Dr. Phillips Center for the Performing Arts, Exploria Stadium and a completely overhauled Camping World Stadium. We're growing our transportation infrastructure through SunRail, Brightline, expansion of the Orlando Airport and the I-4 Ultimate project. Our tech community is thriving as evidenced by many successful "home grown" tech companies, Starter Studio and several tech-focused co-working spaces. Orlando is also making a name for itself as a foodie town, a nationally recognized leader in sustainability and resiliency and an overall great place to live!

Dr. Phillips Center for the Performing Arts is a \$612 million state-of-the-art performing arts center in Downtown Orlando. With its opening in November 2014, the performing arts center launched its vision of Arts For Every Life® by being a gathering place for creativity and discovery; a vibrant urban destination where artists, audiences and students come to experience, explore and learn. Phase I features the 2,700-seat Walt Disney Theater and the 300-seat Alexis & Jim Pugh Theater. The Phase II Steinmetz Hall was completed in 2021.

Exploria Stadium is a \$155 million, 25,500-seat soccer-specific stadium. It is 100% privately funded and home to Orlando City (MLS) and Orlando Pride (NWSL). The site is two blocks from the Amway Center, within walking distance of the downtown entertainment district, and four blocks from Creative Village. In addition to regular season games, the Exploria Stadium has hosted "friendly" matches, international matches and both the U.S. Men's National Team and the U.S. Women's National Team.

Amway Center is a \$480 million state-of-the-art facility that is home to the NBA's Orlando Magic and the Orlando Solar Bears professional hockey team. As host to several hundred events each year, the Amway Center is an iconic destination to Central Florida and beyond. With capacity of more than 20,000 seats, the Amway Center has hosted countless concerts and sports events, including the NBA All-Star Game and the NCAA Basketball Tournament.

Camping World Stadium (formerly the Citrus Bowl) underwent a massive \$208 million reconstruction in 2014 which yielded 90% all-new construction and a completely modernized stadium. These upgrades along with the more recent \$46.7M, 5,000 seat addition have bolstered Camping World Stadium's ability to draw new high-profile events like neutral-site college football games, NFL pre-season match-ups, the NFL Pro Bowl and big-name concerts while retaining its signature annual college football bowl games and events.

AdventHealth Village and Orlando Health are two of the largest hospital systems in the United States and are located one and two SunRail stops from Creative Village, anchoring Downtown Orlando to the north and south. Both hospital systems are mixed-use, healthcare focused developments with tens of thousands of jobs.
