The Tuscan Ridge project to the east, has been approved for 165 homes and 16 acres of commercial lots. The Subject Property is also within two miles of Meriam Park, a massive commercial mixed use development now considered a second downtown (<https://www.meriampark.com>).

Chico, California, has a population of more than 120,000 people in the Greater Chico Urban Area (217,000 in the Metro Area); this "university town" serves as the medical, retail and cultural hub of a three-county metropolitan market area, serving Butte, Glenn and Tehama Counties in Northern California.

The city is located about 90 miles north of Sacramento and 180 miles north of San Francisco. Businesses from the major urban areas look at Chico as a great opportunity for remote workers or offices, with the advantage of lower operating costs.

Chico is proud to be the home of California State University, Chico, Sierra Nevada Brewery, and Bidwell Park, one of the 13th largest municipal parks in the country. Other major cities in the Metropolitan Area include Paradise and Oroville, as well as the smaller communities of Gridley, Biggs, Hamilton City, Willows, Orland and Corning.

Chico State has ranked in the Top 10 Western Regional Public Universities by U.S. News and World for more than two decades, and specializes in business, engineering, computer science, education, nursing, agriculture and other major disciplines that support the needs of a growing business economy.

Chico has been ranked #10 Best Small Art Town in America, #1 Forbes Magazine's "Best Places in America", and #13 in Money.com's "Best Places to Live" Survey. Chico has also been identified as one of Kiplinger's "Great Places to Retire", and also as the #1 Cycling Community in America by Bicycling Magazine.
