# Property Overview & Demographics

Located at 500 E Main Street in Norfolk, VA, this prime second-generation restaurant space offers an exceptional opportunity for restaurateurs looking for a turn-key location. With existing kitchen infrastructure, high visibility, and a central location surrounded by thriving businesses and residential areas, this space provides a great platform for success. The fully equipped kitchen and flexible layout save time and money on setup, while the area's steady foot traffic ensures a consistent customer base. Whether you're starting fresh or expanding, this space offers everything you need to hit the ground running and make your mark in Norfolk's vibrant food scene.
