| The Houston Economy

Over the last two decades, there has been a remarkable transformation in Houston. Today, the nation's fourth largest city has become a diverse, vibrant metro with talented people who have an undeniable spirit. The Houston economy is strong, the cultures are many, and the quality of life is second to none. Houston has one of the youngest, fastest-growing, and most diverse populations anywhere in the world. One in four of the region's 7 million residents is foreign born. From 2010 to 2018, Houston added 1.1 million residents, an 18.3% increase, the fastest rate of population growth among the 10 most populous U.S. metros.

Houston offers a well-developed suite of key global industries - including energy, life science, manufacturing, logistics, and aerospace. As these industries digitize, Houston will become a hotbed of rapid technological development thanks to its access to customers and expertise.
