Albany, NY

Build to Suit Industrial Opportunity

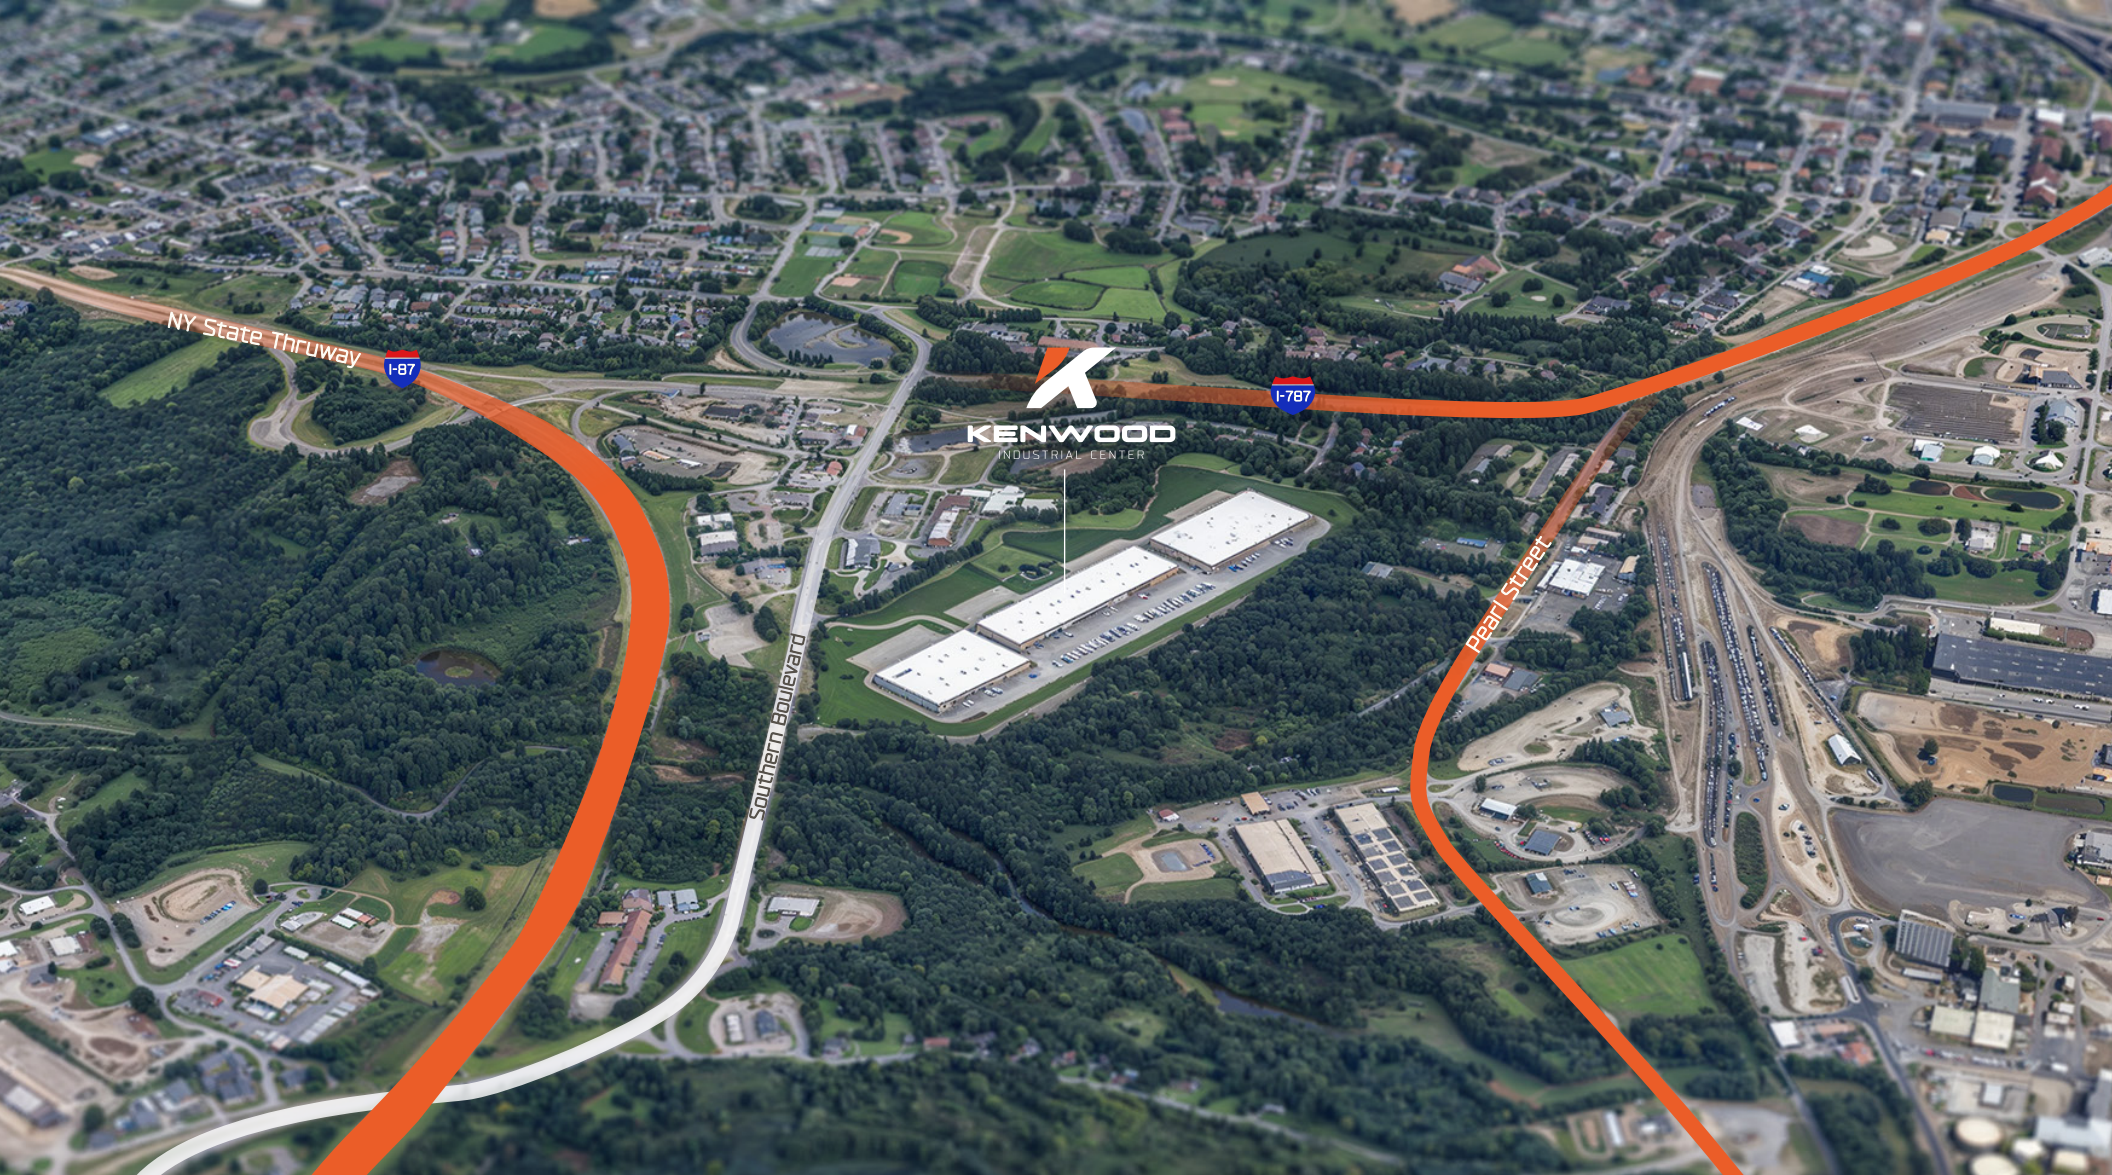

PROJECT OVERVIEW

Kenwood Industrial Center, a premier ground-up, build-to-suit industrial development by Guild Ventures, offers a strong Albany location with outstanding access to major transportation arteries including the NYS Thruway (I-87) and I-90. This prime light industrial/warehouse/distribution site features exceptional utility infrastructure and can accommodate flexible leasing footprints to meet diverse business needs.

Strategically positioned within the City of Albany, the development is specifically designed to serve in-market advanced manufacturing tenants and regional distribution users, making it an ideal solution for companies requiring a strategic Northeast positioning with versatile industrial accommodations.
