**KINGSTON ROAD**  
**RETAIL FOR SALE**

# OVERVIEW

The Bluffs is located in Cliffside, a family-oriented neighbourhood in Toronto’s east-end along Toronto’s Beaches, next to the majestic Scarborough Bluffs. Nearby retailers include LCBO, Canadian Tire, Shoppers Drug Mart, Dollarama, CIBC, Scotiabank, Subway, and Tim Hortons.

Kingston Road, also known as Highway 2, has been integral to the Scarborough area since it was established in 1817, its name signaling it was the sole route connecting Toronto and Kingston. The route was home to numerous inns and motels, which have been demolished to make way for new developments. As the area becomes more desirable, new residential developments are arising in Cliffside. This stretch of Kingston Road is currently undergoing significant revitalization with new mid-rise and townhouse developments redefining the street’s quiet, low-rise character.

Located along Kingston Bus Route 52 and with quick access to the St. Clair East Streetcar, this opportunity is well-served by public transportation. Within minutes, passengers can connect to various transportation routes via Warden Subway Station and Eglinton Go Station.

# AREA DEVELOPMENTS

The City of Toronto has completed “avenue” studies in both Cliffside and Birchcliffe to revitalize fading commercial districts on Kingston Road with mixed-use developments. The Kingston Road Revitalization Study promotes reurbanization and reinvestment along Kingston Road, abiding the City’s Official Plan and supporting local community initiatives. Ward 36 currently has 29 developments under application, 17 of which are mid-rise residential or townhome developments.
