- An aerial photograph showing a large, rectangular industrial lot outlined in red. The lot is mostly empty, with some sparse vegetation and a few small structures. To the right of the lot, there is a paved area filled with numerous semi-trailers and trucks, some of which are parked in rows. To the left of the lot, a road labeled "Sandy Lane" runs along its edge. The background features a dense line of trees and some distant industrial buildings. The overall scene suggests a commercial or industrial development site.
