Building Size (SF) 437,870

Land Area (AC) 20.98

Coverage 48%

2034 Atlantic Avenue is located at the central intersection of Battlefield Boulevard and Campostella Road in Chesapeake, Virginia and is located less than two miles from the intersection of Battlefield Boulevard and I - 64. The building has excellent loading functionality with 16 dock level doors, 7 grade level doors and a truck court that can accommodate up to 20 trailers on site. In addition, the building provides for the longest continuous rail apron (1155 linear feet) for any facility in the entire region and is located immediately adjacent to the Norfolk Southern Portlock Yard which is a centrally located rail yard in the market. This is truly one of one intermodal facilities in the entire Hampton Roads Region.
