Justice40

Located within the talent-rich Silicon Valley, Prologis Power is located within a Justice40 area.

Justice40 is a federal government initiative that directs 40% of investment benefits into disadvantaged communities to advance environmental justice by addressing environmental and economic disparities.

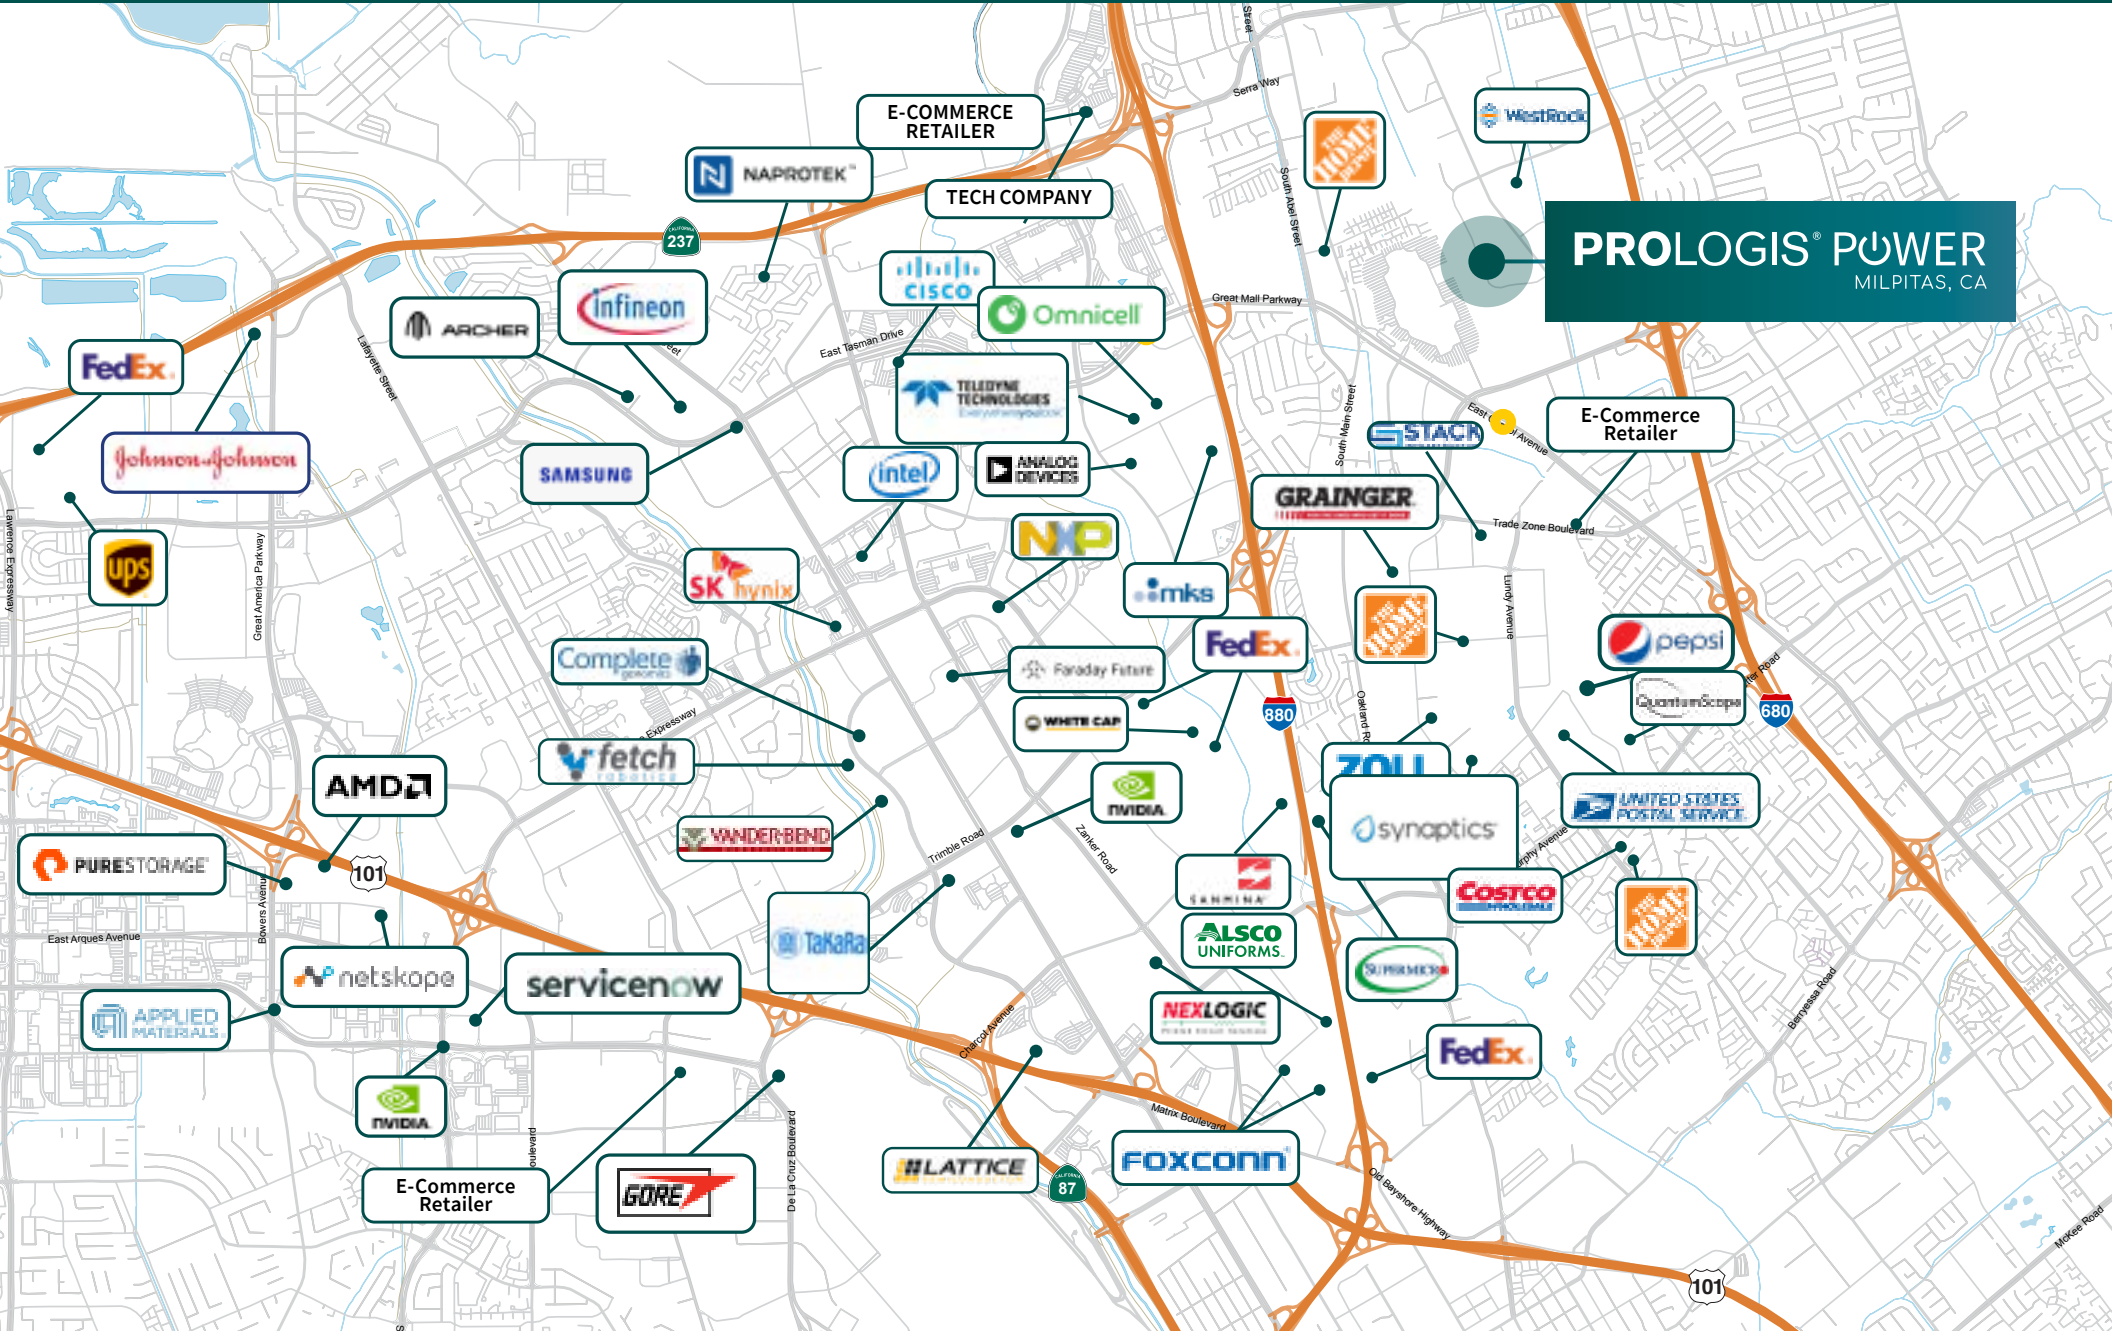

With recent ClimateTech and Advanced Manufacturing initiatives, companies that commit to this community and implement Justice40 as part of their Community Benefit Plan may be eligible for federal grants through the program.

The Essentials Platform

Advanced, end-to-end solutions across every touchpoint of today's supply chain.

Operations

Our turnkey warehouse solutions get you operational quickly and keep your product moving efficiently.

- Turnkey warehouse solutions
- Move in + setup
- Renewal + optimization
- Relocation
- Racking systems
- Forklifts and industrial trucks
- Network infrastructure and security
- Automation solutions
- Other ancillary solutions

Energy + Sustainability

Join us—your partner on the journey to decarbonization and net zero.

- Clean energy solutions
- Energy storage
- Lighting and electrical
- Energy-efficiency solutions
- Backup power generators
- Power purchase agreements
- Renewable energy credits
- Carbon credits

Mobility

Turbocharge your drive to zero emissions with our comprehensive suite of mobility solutions.

- Fleet electrification for depots and hubs
- Temporary power
- Hydrogen fueling
- Workplace charging

Workforce

Unlock the potential of your workforce and enhance recruitment, retention and productivity.

- Community Workforce Initiative (CWI)
- Talent staffing and retention programs
- Training and certification
