Economic Highlights

PILOT Program (Payment in Lieu of Taxes)

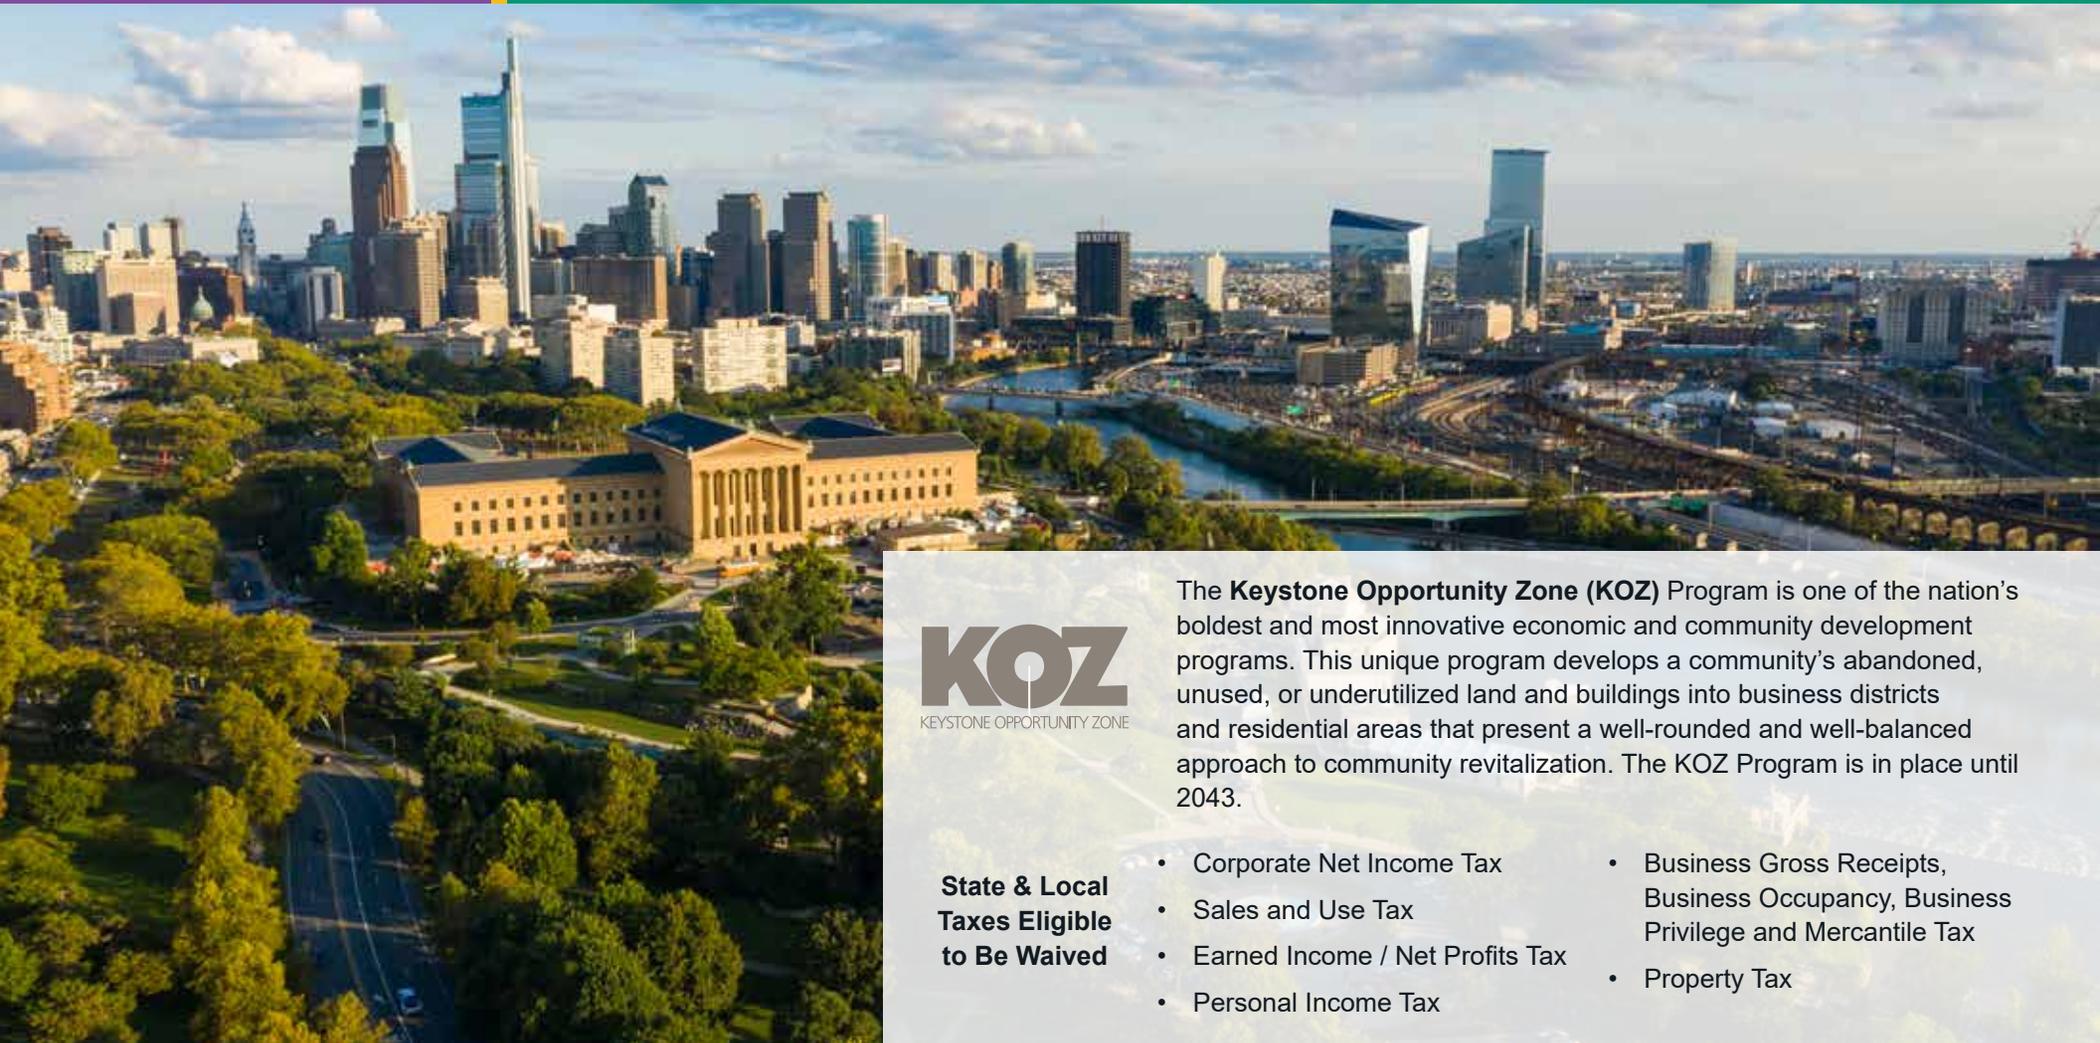

The City of Philadelphia offers tax abatement programs that provide the opportunity for users to significantly reduce their real estate taxes at the property.

Real estate taxes at The Bellwether District are estimated to be \$0.10 to \$0.15 PSF until 2043.

FTZ (Foreign-Trade Zone) Designation

The Bellwether District is eligible for a FTZ designation which is supported by PhilaPort as the grantee of the local FTZ. Each Tenant is required to apply for approval with the FTZ board and U.S. Customs based on their specific use.

U.S. Foreign Trade-Zones encourage activity and investment in the United States. FTZs are secured, designated locations around the United States in or near a U.S. Customs Port of Entry where foreign and domestic merchandise are generally considered to be in international commerce and outside of U.S. Customs territory.

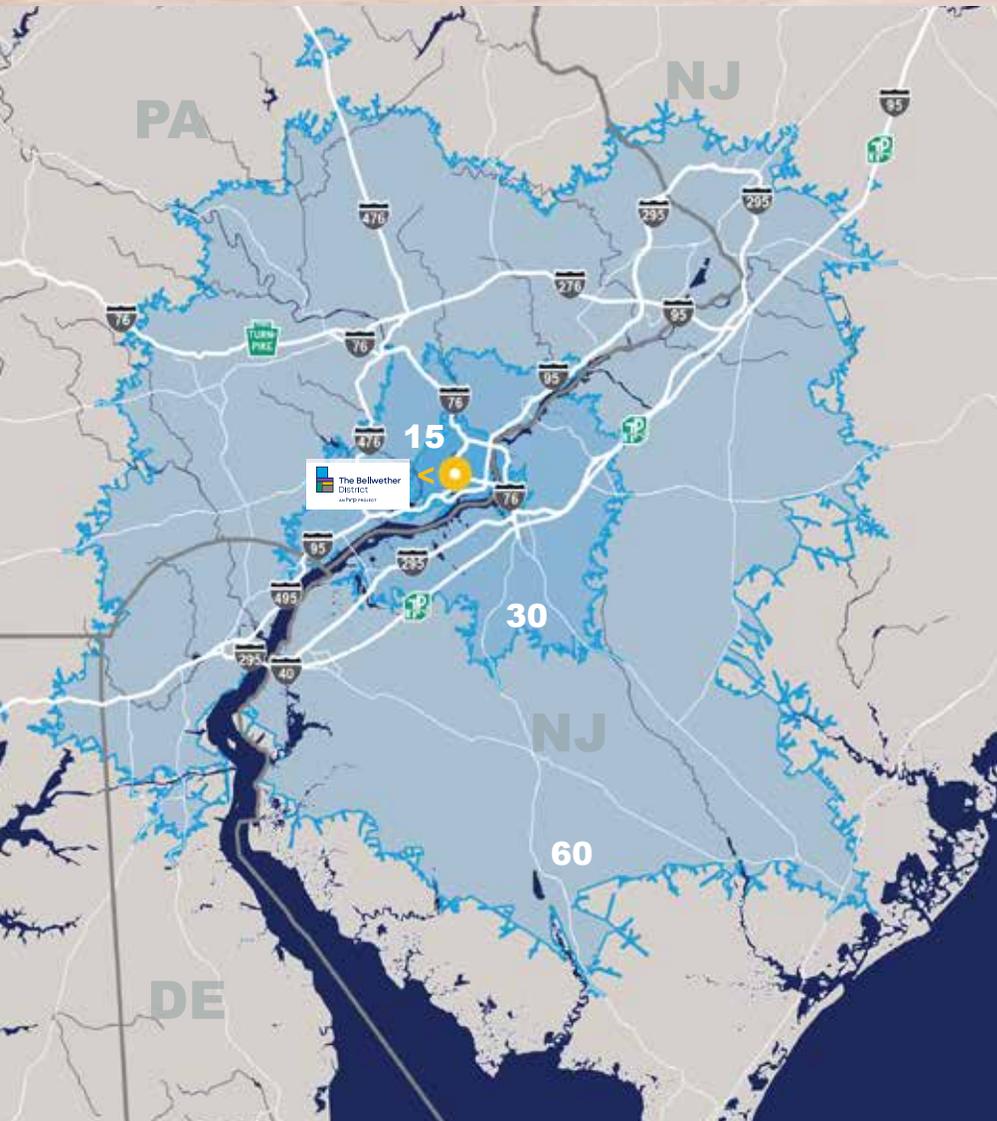

The **Keystone Opportunity Zone (KOZ)** Program is one of the nation's boldest and most innovative economic and community development programs. This unique program develops a community's abandoned, unused, or underutilized land and buildings into business districts and residential areas that present a well-rounded and well-balanced approach to community revitalization. The KOZ Program is in place until 2043.

State & Local Taxes Eligible to Be Waived

- Corporate Net Income Tax
- Sales and Use Tax
- Earned Income / Net Profits Tax
- Personal Income Tax
- Business Gross Receipts, Business Occupancy, Business Privilege and Mercantile Tax
- Property Tax

About Us

HRP Group is in the business of transformation. As a real estate owner, operator, and developer, we re-imagine complex properties across the United States to remediate and redevelop sites for the future. To do this, we take a holistic approach to sustainable redevelopment that prioritizes the community, the environment, and the economy. Our expertise spans multiple sectors, including modern logistics facilities, urban mixed-use projects, and life science ecosystems.

What We Stand For

Community

We connect to communities through open dialogue, civic participation, charitable giving and neighbor-centric planning.

Environment

Our projects surpass environmental standards, incorporate green tech and integrate significant sustainability measures.

Economy

We support local economies by creating long-term jobs and recruiting locally in order to grow our neighborhoods.
